[Project No. 2574-094]

Merimil Limited Partnership; Lockwood Holdco, LLC; Notice of Application of Transfer of License and Soliciting Comments, Motions to Intervene, and Protests

On October 8, 2025, the Merimil Limited Partnership (transferor) filed an application with the Federal Energy Regulatory Commission (FERC or Commission) to transfer the license for the 6.92-megawatt Lockwood Hydroelectric Project (project) No. 2574. The project is located on Kennebec River in Kennebec County, Maine and does not occupy federal land.

Pursuant to 16 U.S.C. section 801, the applicants seek Commission approval to transfer the license for the project from the Merimil Limited Partnership to the to-be-formed Lockwood Holdco, LLC (transferee). The transferee will be required by the Commission to comply with all the requirements of the license as though it were the original licensee.
