

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Project No. 2426-239]

California Department of Water Resources,

Los Angeles Department of Water and Power;

Notice of Availability of Environmental Assessment

The final EA contains Commission staff's analysis of the potential environmental effects of the proposed variance, alternatives to the proposed action, and concludes that the proposed variance with appropriate environmental protective measures, would not constitute a major federal action that would significantly affect the quality of the human environment.

The final EA may be viewed on the Commission's website at <http://www.ferc.gov> using the "elibrary" link. Enter the docket number (P-2426) in the docket number field to access the document.
