Abstract of information available

A total of one cultural item has been requested for repatriation. The one object of cultural patrimony is a coiled basket (Accession 224.266). The maker of the object is unknown. It was likely made sometime around CE 1900-1920. The basket was most likely made in Palm Springs, California, within the traditional use area of the Cahuilla. It was anonymously donated to UC

Santa Barbara prior to June 1983. It is not known whether the basket was treated with preservatives or other potentially hazardous substances.

Determinations

The UCSB Repository for Archaeological and Ethnographic Collections has determined that:

- The one object of cultural patrimony described in this notice has ongoing historical, traditional, or cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision), according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization.
- There is a connection between the cultural item described in this notice and the Agua Caliente Band of Cahuilla Indians of the Agua Caliente Indian Reservation, California.

Requests for Repatriation

Additional, written requests for repatriation of the cultural item in this notice must be sent to the authorized representative identified in this notice under ADDRESSES. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural item in this notice to a requestor may occur on or after [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE **FEDERAL REGISTER**]. If competing requests for repatriation are received, the UCSB Repository for Archaeological and Ethnographic Collections must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural item are considered a single request and not competing requests. The UCSB Repository for Archaeological and Ethnographic Collections is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.
