International Trade Administration

Implementing Certain Tariff-Related Elements of the Framework for a United States – Switzerland – Liechtenstein Agreement on Fair, Balanced, and Reciprocal Trade

AGENCY: International Trade Administration, U.S. Department of Commerce, and the Office of the United States Trade Representative.

ACTION: Notice.

SUMMARY: On September 5, 2025, President Trump issued Executive Order 14346 (Modifying the Scope of Reciprocal Tariffs and Establishing Procedures for Implementing Trade and Security Agreements). Executive Order 14346 directed and authorized the Secretary of Commerce and the United States Trade Representative to take the necessary and appropriate steps to implement any current or forthcoming trade and security framework agreements between a foreign trading partner and the United States. On November 14, 2025, the United States, Switzerland, and Liechtenstein announced a Framework to negotiate an Agreement on Fair, Balanced, and Reciprocal Trade, and have agreed to modification of certain tariff rates. This notice amends the Harmonized Tariff Schedule of the United States to implement the elements of the Framework to apply the higher of either the U.S. most-favored-nation tariff rate or a tariff rate of 15 percent, comprised of the most-favored-nation tariff and a reciprocal tariff, on products of Switzerland or Liechtenstein, and to adjust tariffs on certain articles that are products of Switzerland or Liechtenstein, including certain agricultural goods, unavailable natural resources, aircraft and aircraft parts, and generic pharmaceuticals and their ingredients and chemical precursors. The United States has agreed to modify these tariff rates with

the understanding and expectation that the Agreement on Fair, Balanced, and Reciprocal Trade will be successfully negotiated by the first quarter of 2026. If the Agreement is not successfully negotiated by March 31, 2026, the United States will review and reconsider these modifications, as appropriate.

DATES: This notice is effective [INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER]. The Harmonized Tariff Schedule of the United States modifications set out in Annex II to this notice are effective with respect to goods entered for consumption, or withdrawn from warehouse for consumption, on or after 12:01 a.m. eastern time on November 14, 2025.

SUPPLEMENTARY INFORMATION:

I. Background

In Executive Order 14346 of September 5, 2025 (Modifying the Scope of Reciprocal Tariffs and Establishing Procedures for Implementing Trade and Security Agreements), President Trump determined, among other things, that it is necessary and appropriate to take steps contemplated in certain current and forthcoming trade and security agreements between a foreign trading partner and the United States and that any modification of tariffs required to implement such agreements is necessary and appropriate to deal with the national emergency declared in Executive Order 14257 of April 2, 2025 (Regulating Imports with a Reciprocal Tariff to Rectify Trade Practices that Contribute to Large and Persistent Annual United States Goods Trade Deficits).

Executive Order 14346 also directed and authorized the Secretary of Commerce (Secretary) and the United States Trade Representative (Trade Representative) to determine whether the United States must take any action to implement a final agreement, and to take such actions as necessary and appropriate. It also directed and authorized the Secretary, the Secretary of Homeland Security, and the Trade Representative to take all necessary action to implement and effectuate that order and any actions taken under section 3 or section 4 of that order, and to employ all powers granted to the President as may be necessary to do so. That Executive Order also directs the Secretary and the Trade Representative, in consultation with the Commissioner of U.S. Customs and Border Protection (CBP) and the Chair of the United States International Trade Commission (USITC), to determine whether modifications to the Harmonized Tariff Schedule of the United States (HTSUS) are necessary to effectuate that order and actions taken under that order and authorizes them to direct such modifications through notice in the *Federal Register*.

On November 14, 2025, the United States, Switzerland, and Liechtenstein announced a Framework to negotiate an Agreement on Fair, Balanced, and Reciprocal Trade (Agreement). The Framework provides, among other things, that the United States intends to apply the higher of either the U.S. most-favored-nation (MFN) tariff rate or a tariff rate of 15 percent, comprised of the MFN tariff and a reciprocal tariff, on products of Switzerland or Liechtenstein, and that with respect to certain products of Switzerland and certain products of Liechtenstein, the United States shall not apply the additional *ad valorem* rate of duty applicable to those goods as provided for in Executive Order 14257, as amended.

Consistent with Executive Order 14346, the Secretary and the Trade Representative have determined that the additional *ad valorem* rate of duty applicable to any article the product of Switzerland or Liechtenstein shall be determined by the

article's current *ad valorem* (or *ad valorem* equivalent) rate of duty under column 1 (General) of the HTSUS ("Column 1 Duty Rate"). For an article the product of Switzerland or Liechtenstein with a Column 1 Duty Rate that is less than 15 percent, the sum of its Column 1 Duty Rate and the additional *ad valorem* rate of duty pursuant to this notice shall be 15 percent *ad valorem*. For an article the product of Switzerland or Liechtenstein with a Column 1 Duty Rate that is at least 15 percent, the additional *ad valorem* rate of duty pursuant to this notice shall be zero.

Additionally, in order to implement certain tariff-related elements of the Framework, the Secretary and the Trade Representative have determined that certain products of Switzerland and certain products of Liechtenstein contained in the Potential Tariff Adjustments for Aligned Partners (PTAAP) Annex and provided in Annex I to this notice shall be exempted from the reciprocal tariff imposed by Executive Order 14257, as amended. Accordingly, the HTSUS is modified as provided for in Annex II to this notice with respect to goods entered for consumption, or withdrawn from warehouse for consumption, on or after 12:01 a.m. eastern time on November 14, 2025. To the extent that implementation of this notice requires a refund of duties collected, refunds shall be processed pursuant to applicable law and the standard procedures of CBP for such refunds. The United States has agreed to modify these tariff rates with the understanding and expectation that the Agreement will be successfully negotiated by the first quarter of 2026. If the Agreement is not successfully negotiated by March 31, 2026, the United States will review and reconsider these modifications, as appropriate.

Executive Order 14346 provides that the Secretary and the Trade Representative, in consultation with other officials, are to continue to monitor the conditions underlying the national emergency declared in Executive Order 14257, update the President on the status of these conditions, inform the President of any circumstance that, in their opinion, might indicate the need for further action, and recommend additional action that, in their

opinion, will more effectively deal with that emergency. Accordingly, the annexes to this notice may be amended.

William Kimmitt,
Under Secretary for International Trade,
United States Department of Commerce.

Jennifer Thornton,
General Counsel,
Office of the United States Trade Representative.

ANNEX I

Note: All products of Switzerland or Liechtenstein that are properly classified in the provisions of the Harmonized Tariff Schedule of the United States (HTSUS) and adhere to the identified scope limitations that are listed in this Annex are exempted from the duties imposed by Executive Order 14257, as amended. The product descriptions that are contained in this Annex are provided for informational purposes only, do not supersede the text of the HTSUS, and are not intended to delimit in any way the scope of the action, except as specified below. Only items that are properly classified in the listed provisions of the HTSUS and adhere to the identified scope limitations are eligible to be exempted from the tariff action imposed by Executive Order 14257, as amended. Any questions regarding the scope of particular HTSUS provisions should be referred to U.S. Customs and Border Protection. In the product descriptions, the abbreviation “nesoi” means “not elsewhere specified or included”.

Notes on certain HTSUS provisions for which only a portion of the provision is covered in this Annex, as provided in the “Scope Limitations” column:

- A subheading marked with “**Aircraft**” includes only articles of civil aircraft (all aircraft other than military aircraft); their engines, parts, and components; their other parts, components, and subassemblies; and ground flight simulators and their parts and components, that otherwise meet the criteria of General Note 6 of HTSUS, regardless of whether a product is entered under a provision for which the rate of duty “Free (C)” appears in the “Special” sub-column.
- A subheading marked with “**Pharma**” includes only non-patented articles for use in pharmaceutical applications.
