Cancellation Order for Certain Pesticide Registrations and/or Amendments to Terminate Uses (From August 05, 2025, Notice)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA's order for the cancellations and/or amendments to terminate uses, voluntarily requested by the registrants and accepted by the Agency, pursuant to the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). This cancellation order follows an August 05, 2025, *Federal Register* Notice of Receipt of Requests from the registrants listed in Table 3 of Unit II, to voluntarily cancel and/or amend to terminate uses of these product registrations. In the August 05, 2025, notice, EPA indicated that it would issue an order implementing the cancellations and/or amendments to terminate uses, unless the Agency received substantive comments within the 30-day comment period that would merit its further review of these requests, or unless the registrants withdrew their requests. The Agency did not receive any comments on the notice. One registrant, the registrant of 7969-33, withdrew their request. Therefore, it has been removed from this notice. Accordingly, EPA hereby issues this notice a cancellation order granting the requested cancellations and/or amendments to terminate uses. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

DATES: The cancellations and/or amendments are effective **[INSERT DATE OF PUBLICATION IN THE *FEDERAL REGISTER*]**.

III. Summary of Public Comments Received and Agency Response to Comments

During the public comment period provided, EPA received no comments in response to the August 05, 2025, *Federal Register* (90 FR 37504) (FRL-12719-01-OCSP) notice announcing the Agency's receipt of the requests for voluntary cancellations and/or amendments

to terminate uses of products listed in Tables 1, 1A and 2 of Unit II.

IV. Cancellation Order

Pursuant to FIFRA section 6(f) (7 U.S.C. 136d(f)(1)), EPA hereby approves the requested cancellations and/or amendments to terminate uses of registrations identified in Tables 1, 1A and 2 of Unit II. Accordingly, the Agency hereby orders that the product registrations identified in Tables 1, 1A and 2 of Unit II, are canceled and/or amended to terminate the affected uses. The effective date of the cancellations that are subject of this notice is **[INSERT DATE OF PUBLICATION IN THE *FEDERAL REGISTER*]**. Any distribution, sale, or use of existing stocks of the products identified in Tables 1, 1A and 2 of Unit II, in a manner inconsistent with any of the provisions for disposition of existing stocks set forth in Unit VI, will be a violation of FIFRA.

V. What is the Agency's authority for taking this action?

Section 6(f)(1) of FIFRA (7 U.S.C. 136d(f)(1)) provides that a registrant of a pesticide product may at any time request that any of its pesticide registrations be canceled or amended to terminate one or more uses. FIFRA further provides that, before acting on the request, EPA must publish a notice of receipt of any such request in the *Federal Register*. Thereafter, following the public comment period, the EPA Administrator may approve such a request. The notice of receipt for this action was published for comment in the *Federal Register* of August 05, 2025 (90 FR 37504) (FRL-12719-01-OCSPP). The comment period closed on September 04, 2025.

VI. Provisions for Disposition of Existing Stocks

Existing stocks are those stocks of registered pesticide products which are currently in the United States, and which were packaged, labeled, and released for shipment prior to the effective date of the action. The existing stocks provision for the products subject to this order is as follows.

The registrants may continue to sell and distribute existing stocks of products listed in Table 1 of Unit II until **[INSERT DATE 1 YEAR AFTER DATE OF PUBLICATION IN**

THE FEDERAL REGISTER], which is 1 year after publication of this cancellation order in the *Federal Register*. Thereafter, the registrants are prohibited from selling or distributing products listed in Table 1 of Unit II, except for export in accordance with FIFRA section 17 (7 U.S.C. 136o) or for proper disposal.

For the products listed in Table 1A of Unit II, the registrant has requested 18-months to sell existing stocks of those products. The registrant is permitted to sell or distribute products listed in Table 1A of Unit II, until **[INSERT DATE 18 MONTHS AFTER DATE OF PUBLICATION OF THE CANCELLATION ORDER IN THE FEDERAL REGISTER]**, a period of 18 months after publication of the cancellation order in this *Federal Register*. Thereafter, the registrant is prohibited from selling or distributing these products, except for export in accordance with FIFRA section 17 (7 U.S.C. 136o) or for proper disposal.

Now that EPA has approved product labels reflecting the requested amendments to terminate uses, registrants are permitted to sell or distribute products listed in Table 2 of Unit II, under the previously approved labeling until **[INSERT DATE 18 MONTHS AFTER DATE OF PUBLICATION OF THE CANCELLATION ORDER IN THE FEDERAL REGISTER]**, a period of 18 months after publication of the cancellation order in this *Federal Register*, unless other restrictions have been imposed. Thereafter, registrants will be prohibited from selling or distributing the products whose labels include the terminated uses identified in Table 2 of Unit II, except for export consistent with FIFRA section 17 or for proper disposal.

Persons other than the registrant may sell, distribute, or use existing stocks of canceled products and/or products whose labels include the terminated uses until supplies are exhausted, provided that such sale, distribution, or use is consistent with the terms of the previously approved labeling on, or that accompanied, the canceled products and/or terminated uses.
