

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG-2025-1123]

RIN 1625-AA00

Safety Zone; La Quinta Channel, Ingleside, TX

AGENCY: Coast Guard, Department of Homeland Security.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for navigable waters of the La Quinta Ship Channel. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by the removal of submerged dredge pipeline. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port, Sector Corpus Christi.

DATES: This rule is effective without actual notice from [INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER] through December 24, 2025. For the purposes of enforcement, actual notice will be used from December 18, 2025, until [INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER]. The Coast Guard anticipates that this rule will be enforced only one day during this period. The day and time of enforcement will depend on the weather conditions and will be announced to the public in advance.

ADDRESSES: To view available documents go to <https://www.regulations.gov> and search for USCG-2025-1123.

FOR FURTHER INFORMATION CONTACT: If you have questions about this rule, call or email Lieutenant Timothy Cardenas, Waterways Management, U.S. Coast Guard; 361-244-4784, email Timothy.J.Cardenas@uscg.mil.

SUPPLEMENTARY INFORMATION:

CFR	Code of Federal Regulations
COTP	Captain of the Port
DHS	Department of Homeland Security
FR	<i>Federal Register</i>
NPRM	Notice of proposed rulemaking
§	Section
U.S.C.	United States Code

II. Background and Authority

The Coast Guard received notification that Callan Marine will be removing submerged pipeline within the La Quinta Channel near Ingleside, TX. Hazards from this project include but are not limited to deployment of heavy equipment which will obstruct vessel traffic, continuous diving operation, and various other activities which create underwater hazards for workers and the public. The Captain of the Port (COTP) Corpus Christi has determined that potential hazards associated with installation of submerged pipeline are a safety concern for anyone within the work area. Therefore, the COTP is issuing this rule under the authority in 46 U.S.C. 70034, which is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone.

The Coast Guard is issuing this rule without prior notice and comment. As is authorized by 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable and contrary to the public interest. The Coast Guard was notified of this event on December 12, 2025, but we must establish this safety zone by December 18, 2025, to protect personnel, vessels, and the marine environment. Therefore, we do not have enough time to solicit and respond to comments.

For the same reasons, the Coast Guard finds that under 5 U.S.C. 553(d)(3), good cause exists for making this rule effective less than 30 days after publication in the *Federal Register*.

III. Discussion of the Rule

This rule establishes a safety zone from December 18, 2025, to December 24, 2025. The day and time of enforcement will depend on the weather conditions and will be announced to the public in advance. The safety zone will cover all navigable waters in the La Quinta Ship Channel within the following points: Point 1 at 27°49'26.74"N, 97°13'38.82"W; thence to Point 2 at 27°49'29.86"N, 97°13'29.48"W; thence to Point 3 at 27°49'13.55"N, 97°13'10.17"W thence to Point 4 at 27°49'9.49"N, 97°13'27.31"W; thence returning to Point 1.

IV. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders.

A. Impact on Small Entities

The regulatory flexibility analysis provisions of the Regulatory Flexibility Act of 1980, 5 U.S.C. 601-612, do not apply to rules that are not subject to notice and comment. Because the Coast Guard has, for good cause, waived the notice and comment requirement that would otherwise apply to this rulemaking, the Regulatory Flexibility Act's flexibility analysis provisions do not apply here.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), if this rule will affect your small business, organization, or governmental jurisdiction and you have questions, contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards by calling 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

B. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

C. Federalism and Indian Tribal Governments

We have analyzed this rule under Executive Order 13132, Federalism, and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in that Order.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

D. Unfunded Mandates Reform Act

As required by The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538), the Coast Guard certifies that this rule will not result in an annual expenditure of \$100,000,000 or more (adjusted for inflation) by a State, local, or tribal government, in the aggregate, or by the private sector.

E. Environment

We have analyzed this rule under Department of Homeland Security Directive 023-01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the

National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment.

This rule is a safety zone. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051, 70124; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.4.

2. Add § 165.T08-1123 to read as follows:

§ 165.T08-1123 Safety Zone; La Quinta Channel, Ingleside, TX

(a) *Location.* The following area is a safety zone: The following area is a safety zone: All waters of La Quinta Ship Channel encompassed by a line connecting the following points: Point 1 at 27°49'26.74"N, 97°13'38.82"W; thence to Point 2 at 27°49'29.86"N, 97°13'29.48"W; thence to Point 3 at 27°49'13.55"N, 97°13'10.17"W thence to Point 4 at 27°49'9.49"N, 97°13'27.31"W; thence returning to Point 1. These coordinates are based on World Geodetic System (WGS) 84.

(b) *Definitions.* As used in this section, *designated representative* means a Coast

Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Corpus Christi (COTP) in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) To seek permission to enter, contact the COTP or the COTP's representative on VHF-FM channel 16 or by telephone at (800) 874-2143. Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(d) *Enforcement period.* This section is effective from December 18, 2025, through December 24, 2025, but will be subject to enforcement one day during this period during the installation of a submerged dredge pipeline. The enforcement day and times will be announced over Channel 16 VHF-FM (156.8 MHz), Broadcast Notices to Mariners, and Safety Marine Information Broadcasts.

T. H. Bertheau,
Captain, U.S. Coast Guard,
Captain of the Port Sector Corpus Christi.
