Abstract: The AmeriCorps NCCC Project Sponsor Survey is completed by organizations that have sponsored an AmeriCorps NCCC team. Service projects, which typically last from six to eight weeks, address critical needs in natural and other disasters, infrastructure improvement, environmental stewardship and conservation, energy conservation, and urban and rural development. Members construct and rehabilitate low-income housing, respond to natural disasters, clean up streams, help communities develop emergency plans, and address other local needs.

AmeriCorps seeks to revise the current survey to remove information that we no longer need to collect. The current survey is due to expire on March 31, 2026.
