SUPPLEMENTARY INFORMATION:

A. Purpose

The online intake Instrument on the GSA Ombudsman's webpage receives inquiries from vendors who are currently doing business with or interested in doing business with GSA. The inquiries are collected by the GSA Ombudsman and routed to the appropriate office for resolution and/or implementation in the case of recommendations for process or program improvements. Reporting of the data collected helps highlight thematic issues that vendors encounter with GSA acquisition programs, processes, or policies, and identify areas where training is needed. The information collected also assists in identifying and analyzing patterns and trends to help improve efficiencies and lead to improvements in current practices.

B. Annual Reporting Burden

Maximum Potential Respondents: 118.

Responses Per Respondent: 1.

Total Maximum Potential Annual Responses: 118.

Hours Per Response: .25.

Total Burden Hours: 29.5.

C. Public Comments:

Public comments are particularly invited on: Whether this collection of information is necessary, whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.
