[OMB Control No. 3235-0305]

Agency Information Collection Activities; Proposed Collection; Comment Request;

Extension: Rule 13e-1

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval. The Commission also is requesting approval from OMB to designate this existing collection of information (OMB Control No. 3235-0305) as a “common form” for purposes of PRA submissions¹ because the Board of Governors of the Federal Reserve System uses this information collection (under OMB Control No. 7100-0091).

Rule 13e-1 (17 CFR 240.13e-1) under the Securities Exchange Act of 1934 (15 U.S.C. 78 et seq.) (“Exchange Act”) makes it unlawful for an issuer who has received notice that it is the subject of a tender offer made under Section 14(d)(1) of the Exchange Act to purchase any of its equity securities during the tender offer, unless it first files a statement with the Commission

¹ See ROCIS PRA Module User Guide v.8.2, at 110-111 (Mar. 2024), available at <https://www.rocis.gov/rocis/viewResources.do> (“A ‘common form’ is an information collection that can be used by two or more agencies, or government-wide, for the same purpose. The Common Forms Module [in ROCIS] allows a ‘host’ agency to obtain [OMB] approval of an information collection for use by one or more ‘using’ agencies. After OMB grants approval, any prospective using agency that seeks to collect identical information for the same purpose can obtain approval to use the ‘common form’ by providing its agency-specific information to OMB (e.g., burden estimates and number of respondents). . . . The host agency will indicate in the Federal Register notices that it is requesting approval of a common form and, if known, identify other agencies that may use the information collection. Both the Federal Register notices and the ICR should account only for the burden imposed by the host agency’s use of the common form. Once the host agency has received approval from OMB, any agency will be able to request OMB approval for its use of the common form in ROCIS by providing its agency specific information to OMB (e.g., burden estimates and number of respondents). Additional public notice by those agencies will not be required.”).

containing information required by the rule. This rule is in keeping with the Commission's statutory responsibility to prescribe rules and regulations that are necessary for the protection of investors. We estimate that it takes approximately 11.25 burden hours per response to provide the information required under Rule 13e-1 and that the information is filed once per year by approximately 1 respondent. We estimate that 25% of the 11.25 hours per response is carried internally by the company for a total annual reporting burden of approximately 3 hours (11.25 hours per response x 25% x 1 response annually). We estimate that 75% of the 11.25 hours per response is carried externally by outside professionals retained by the company at a rate of \$600 per hour for a total annual cost burden of approximately \$5,063 (\$600 per hour x 11.25 hours per response x 75% x 1 response annually).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Please direct your written comments on this 60-Day Collection Notice to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Tanya Ruttenberg via e-mail to PaperworkReductionAct@sec.gov by **[INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**. There will be a second opportunity to comment on this SEC request following the *Federal Register* publishing a 30-Day Submission Notice.

Dated: December 22, 2025.

Sherry R. Haywood,

Assistant Secretary.
