

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-104502; File No. SR-FINRA-2025-016]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change to Amend FINRA Rule 6830 (Industry Member Data Reporting) Regarding the Bona Fide Market Making Exception Under SEC Regulation SHO

December 23, 2025.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act” or “Exchange Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 12, 2025, the Financial Industry Regulatory Authority, Inc. (“FINRA”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by FINRA. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to amend FINRA Rule 6830 (Industry Member Data Reporting) of FINRA’s compliance rule (“CAT Compliance Rule”) regarding the National Market System Plan Governing the Consolidated Audit Trail (the “CAT NMS Plan” or “Plan”)³ to be consistent with the amendment to the CAT NMS Plan that requires broker-dealers with a reporting obligation to CAT to report whether an original receipt or origination of an order to sell an equity

³ Unless otherwise specified, capitalized terms used in this rule filing are defined as set forth in the CAT Compliance Rule.

security is a short sale for which a market maker is claiming the bona fide market making exception in Rule 203(b)(2)(iii) of Regulation SHO (“BFMM Locate Exception”).⁴

The text of the proposed rule change is available on FINRA’s website at <http://www.finra.org> and at the principal office of FINRA.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to amend FINRA Rule 6830 of the CAT Compliance Rule to be consistent with the amendment to the CAT NMS Plan related to the BFMM Locate Exception. In 2023, the Commission amended the CAT NMS Plan to require the reporting to the CAT of reliance on the BFMM Locate Exception.⁵ Specifically, the Commission added paragraph (D) to Section 6.4(d)(ii) of the CAT NMS Plan, which requires each Participant, through its Compliance Rule, to require its Industry Members to record and report to the Central Repository the following:

for the original receipt or origination of an order to sell an equity security, whether the order is for a short sale effected by a market maker in connection with bona fide market making activities in the security for which the exception in Rule 203(b)(2)(iii) of Regulation SHO is claimed.

⁴ See Securities Exchange Act Release No. 98738 (October 13, 2023), 88 FR 75100 (November 1, 2023); Securities Exchange Act Release No. 98739 (October 13, 2023), 88 FR 75079 (November 1, 2023).

⁵ See supra note 5.

Accordingly, FINRA proposes to amend its CAT Compliance Rule to reflect this additional CAT reporting requirement. Specifically, FINRA proposes to add subparagraph (G) to FINRA Rule 6830(a)(2), which would require each Industry Member to record and report to the Central Repository the following:

for the original receipt or origination of an order to sell an equity security, whether the order is for a short sale effected by a market maker in connection with bona fide market making activities in the security for which the exception in Rule 203(b)(2)(iii) of SEC Regulation SHO is claimed.

FINRA has filed the proposed rule change for immediate effectiveness and has requested that the SEC waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, so FINRA can implement the proposed rule change immediately.

2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁶ which requires, among other things, that FINRA rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest, and Section 15A(b)(9) of the Act,⁷ which requires that FINRA rules not impose any burden on competition that is not necessary or appropriate.

FINRA believes that this proposed rule change is consistent with the Act because it is consistent with the amendment to the CAT NMS Plan approved by the Commission and is designed to assist FINRA and Industry Members in meeting regulatory obligations pursuant to the Plan. In approving the Plan, the SEC noted that the Plan “is necessary and appropriate in the public interest, for the protection of investors and the maintenance of fair and orderly markets, to remove impediments to, and perfect the mechanism of a national market system, or is otherwise

⁶ 15 U.S.C. 78o-3(b)(6).

⁷ 15 U.S.C. 78o-3(b)(9).

in furtherance of the purposes of the Act.”⁸ To the extent that this proposed rule change implements the Plan as amended, and applies specific requirements to Industry Members, FINRA believes that this proposed rule change furthers the objectives of the Plan, as identified by the SEC, and is therefore consistent with the Exchange Act.

B. Self-Regulatory Organization’s Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. FINRA notes that the proposed rule change is consistent with the amendment to the CAT NMS Plan approved by the Commission and is designed to assist FINRA in meeting its regulatory obligations pursuant to the Plan. FINRA also notes that the amendment to the CAT Compliance Rule will apply equally to all Industry Members that trade equity securities. In addition, all national securities exchanges and FINRA are proposing these amendments to their CAT Compliance Rules. Therefore, this is not a competitive rule filing, and, therefore, it does not impose a burden on competition.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time

⁸ See Securities Exchange Act Release No. 79318 (November 15, 2016), 81 FR 84696, 84697 (November 23, 2016).

as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and subparagraph (f)(6) of Rule 19b-4 thereunder.¹⁰

A proposed rule change filed under Rule 19b-4(f)(6)¹¹ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹² the Commission may designate a shorter time if such action is consistent with protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposed rule change may become operative immediately upon filing. The Commission believes that waiving 30-day operative delay is consistent with the protection of investors and the public interest because the proposal seeks to amend the Exchange's CAT Compliance Rule to reflect the requirement in the CAT NMS Plan that industry members report for the original receipt or origination of an order to sell an equity security, whether the order is for a short sale effected by a market maker in connection with bona fide market making activities in the security for which the exception in Rule 203(b)(2)(iii) of Regulation SHO is claimed.¹³ The proposal does not introduce any novel regulatory issues. Accordingly, the Commission designates the proposed rule change to be operative upon filing.¹⁴

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the

¹⁰ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Commission is waiving this requirement.

Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
