Public comments on the ICR are invited.

**SUPPLEMENTARY INFORMATION:** The 2014 Workforce Innovation Opportunity Act (WIOA) required the Office of Job Corps to collect and report specific post enrollment outcomes for eligible Job Corps participants beginning in Program Year (PY) 2016. The WIOA performance reporting requirements, which replaced those of the 1998 Workforce Investment Act (WIA), are designed to provide a common set of metrics to be reported by similar programs. WIOA substantially changed many outcome metrics for Job Corps compared to those required under WIA and provided new guidance on the definition of high performing and low performing centers. In order to collect the necessary information to meet the new WIOA reporting

requirements, the Office of Job Corps revised its post enrollment data collection system (PEDC) in 2019, which primarily collects data through survey instruments. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on August 21, 2025 (90 FR 40862).

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) the accuracy of the agency's estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. *See* 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
