[Investigation Nos. 701-TA-779 and 731-TA-1765-1766 (Preliminary)]

Chromium Trioxide from India and Turkey; Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports of chromium trioxide from India and Turkey, provided for in subheading 2819.10.00 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (“LTFV”) and imports of the subject merchandise from India that are alleged to be subsidized by the government of India.²

BACKGROUND

On September 29, 2025, American Chrome & Chemicals, Inc., Canonsburg, Pennsylvania, filed petitions with the Commission and Commerce, alleging that an industry in the United States is materially injured or threatened with material injury by reason of subsidized imports of chromium trioxide from India and LTFV imports of chromium trioxide from India and Turkey. Accordingly, effective September 29, 2025, the Commission instituted countervailing duty investigation No. 701-TA-779 and antidumping duty investigation Nos. 731-TA-1765-1766 (Preliminary).

Notice of the institution of the Commission’s investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the
