SUPPLEMENTARY INFORMATION:

Background

This preliminary determination is made in accordance with section 703(b) of the Tariff Act of 1930, as amended (the Act). On June 30, 2025, Commerce published the notice of initiation of this investigation.¹ On July 25, 2025, Commerce postponed the preliminary determination of this investigation until November 3, 2025.²

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.³ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁴ Accordingly, the deadline for this preliminary determination is now January 8, 2026.

For a complete description of the events that followed the initiation of this investigation, *see* the Preliminary Decision Memorandum.⁵ A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix II of this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. Scope of the Investigation

The product covered by this investigation is rebar from Egypt. For a complete description of the scope of this investigation, *see* Appendix I.

Methodology

Commerce is conducting this investigation in accordance with section 701 of the Act. For each of the subsidy programs found countervailable, Commerce preliminarily determines that there is a subsidy, *i.e.*, a financial contribution by an “authority” that gives rise to a benefit to the recipient, and that the subsidy is specific.⁸ For a full description of the methodology underlying our preliminary determination, *see* the Preliminary Decision Memorandum.

Alignment

In accordance with section 705(a)(1) of the Act and 19 CFR 351.210(b)(4), Commerce is aligning the final determination of this CVD investigation with the final determination in the companion less-than-fair value (LTFV) investigation of rebar from Egypt based on the petitioner’s request.⁹ Consequently, the final CVD determination will be issued on the same date as the final LTFV determination, which is currently scheduled to be issued no later than May 26, 2026, unless postponed.

All-Others Rate

Sections 703(d) and 705(c)(5)(A) of the Act provide that, in the preliminary determination, Commerce shall determine an estimated all-others rate for companies not individually examined. This rate shall be an amount equal to the weighted average of the estimated subsidy rates established for those companies individually examined, excluding any rates that are zero, *de minimis*, or based entirely under section 776 of the Act. If the rates established for all exporters and producers individually investigated are zero, *de minimis*, or

⁸ *See* sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

determined entirely under facts available, Commerce may use any reasonable method to establish an all-others rate.¹⁰

In this investigation, Commerce preliminarily calculated an individual estimated countervailable subsidy rate for the Ezz Group that is not zero, *de minimis*, or based entirely on the facts otherwise available.¹¹ Commerce calculated the all-others rate using the individual estimated subsidy rate calculated for the sole examined respondent, *i.e.*, the Ezz Group.

Preliminary Determination

Commerce preliminarily determines that the following estimated countervailable subsidy rates exist for the period of investigation January 1, 2024 through December 31, 2024:

Company	Subsidy Rate (percent <i>ad valorem</i>)
Al-Ezz Dekheila Steel Alexandria Company (SAE); Ezz Steel Company S.A.E.; Ezz Rolling Mills Company (SAE); Al-Ezz Flat Steel Company (SAE); Contra Steel Co.; Al-Ezz Group Holding Company for Industry & Investment	29.51
All Others	29.51

Suspension of Liquidation

In accordance with section 703(d)(2) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to suspend liquidation of entries of rebar from Egypt, as described in Appendix I to this notice, entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the *Federal Register*. Further, pursuant to section 703(d)(1)(B) of the Act and 19 CFR 351.107(e), Commerce will instruct CBP to require a cash deposit equal to the estimated company-specific countervailable subsidy rate or the estimated all-others rate, as follows: (1) the cash deposit rate for the respondents listed above will be equal to the company-specific estimated individual countervailable subsidy rates determined in this preliminary determination; (2) if both the producer and exporter of the subject merchandise have

¹⁰ See sections 705(c)(5)(A)(i) and (ii) of the Act.

¹¹ The Ezz Group consists of mandatory respondents and cross-owned companies Ezz Steel Company S.A.E. (ESR) and Al-Ezz Dekheila Steel Alexandria Company (SAE) (EZDK), as well the following additional cross-owned companies: Al-Ezz Flat Steel Company (SAE) (EFS), Ezz Rolling Mills Company (SAE) (ERM), Al-Ezz Group Holding Company for Industry & Investment (Ezz Industries), and Contra Steel Co. (Contra).

company-specific estimated subsidy rates determined in this preliminary determination, and their rates differ, then the applicable cash deposit rate will be the higher of these two rates; (3) if either the producer or the exporter, but not both, of the subject merchandise have a company-specific estimated subsidy rate determined in this preliminary determination, the applicable cash deposit rate will be that company's company-specific rate; and (4) the cash deposit rate for all other producers and exporters will be equal to the estimated all-others subsidy rate.

Disclosure

Commerce intends to disclose its calculations and analysis performed in connection with this preliminary determination within five days of its public announcement, or if there is no public announcement, within five days of the date of publication of this notice in the *Federal Register*, in accordance with 19 CFR 351.224(b).

Consistent with 19 CFR 351.224(e), Commerce will analyze and, if appropriate, correct any timely allegations of significant ministerial errors by amending the preliminary determination. However, consistent with 19 CFR 351.224(d), Commerce will not consider incomplete allegations that do not address the significance standard under 19 CFR 351.224(g) following the preliminary determination.
