## **II. Contractor Requirements**

Under Contract No. 68HERC25D0001, this contract involves contractors, but they will not be handling FIFRA CBI under this task.

OPP has determined that the contract described in this document involves work that is being conducted in connection with FIFRA, in that pesticide chemicals will be the subject of certain evaluations to be made under this contract. These evaluations may be used in subsequent regulatory decisions under FIFRA. Pursuant to 40 CFR 2.307(h)(3), OPP has determined that disclosure to SRC, Inc., of information claimed as CBI is necessary in order for SRC, Inc., to carry out the work required by this contract.

Some of this information may be entitled to confidential treatment. The information has been submitted to EPA under FIFRA sections 3, 4, 6, and 7 and under FFDCA sections 408 and 409.

In accordance with the requirements of 40 CFR 2.307(h)(3), the contract with SRC, Inc., prohibits use of the information for any purpose not specified in this contract; prohibits disclosure of the information to a third party without prior written approval from the Agency; and requires that each official and employee of the contractor sign an agreement to protect the information from unauthorized release and to handle it in accordance with the *FIFRA Information Security Manual*. In addition, SRC, Inc., is required to submit for EPA approval a

security plan under which any CBI will be secured and protected against unauthorized release or compromise. No information will be provided to SRC, Inc., until the requirements in this document have been fully satisfied. Records of information provided to SRC, Inc., will be maintained by EPA project officers for this contract. All information supplied to SRC, Inc., by EPA for use in connection with the contract will be returned to EPA when SRC, Inc., has completed its work.
