Title of the Collection: Teen Pregnancy Prevention FY2023 performance measures collection

Type of Collection: extension

OMB No. 0937-0213

Abstract:

The Office of Population Affairs (OPA), in the Office of the Assistant Secretary for Health (OASH), U.S. Department of Health and Human Services (HHS), requests an extension clearance for the collection of performance measures specifically for FY2023 Teen Pregnancy Prevention (TPP) Program grantees. OPA supports two types of grants through the TPP program: projects that replicate TPP program models that have been shown to be effective through rigorous evaluation (Tier 1), research and demonstration projects that develop and test additional models and innovative strategies to prevent teen pregnancy (Tier 2). Collection of performance measures is a requirement of all TPP awards and is in the NOFOs. The data collection allows OPA to comply with federal accountability and performance requirements, inform stakeholders of grantee progress in meeting TPP program goals, provide OPA with metrics for monitoring FY2023 TPP grantees, and facilitate individual grantees' continuous quality improvement efforts within their projects.

OPA requests clearance for three years.
