B. Submitting Comments

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to

<https://www.reginfo.gov/public/do/PRAMain>. Find this particular information collection by selecting “Currently under Review - Open for Public Comments” or by using the search function.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, “Operators' Licenses.” The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a *Federal Register* notice with a 60-day comment period on this information collection on September 3, 2025, 90 FR 42623.

1. *The title of the information collection:* Operators' Licenses.
2. *OMB approval number:* 3150-0018.
3. *Type of submission:* Revision.

4. *The form number, if applicable:* Not applicable.
5. *How often the collection is required or requested:* On occasion.
6. *Who will be required or asked to respond:* Holders of, and applicants for, facility (i.e., nuclear power and nonpower research and test reactor) operating licenses and individual operator licensees.
7. *The estimated number of annual responses:* 444 (350 reporting responses + 94 recordkeepers).
8. *The estimated number of annual respondents:* 94.
9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 171,299 (149,618 reporting + 21,681 recordkeeping).
10. *Abstract:* Part 55 of title 10 of the *Code of Federal Regulations* (10 CFR), "Operators' Licenses," specifies information and data to be provided by applicants and facility licensees so that the NRC may make determinations concerning the licensing and requalification of operators for nuclear reactors, as necessary to promote public health and safety. The reporting and recordkeeping requirements contained in 10 CFR part 55 are mandatory for the affected facility licensees and applicants.

Dated: January 21, 2026.
