SUPPLEMENTARY INFORMATION:

Title of Collection: Day of Service Application Instructions (MLK & 9/11)

OMB Control Number: 3045-0180. *Type of Review:* Revision.

Respondents/Affected Public: Individuals, Households, Businesses, Organizations, State, Local and Tribal Governments.

Total Estimated Number of Annual Responses: 70.

Total Estimated Number of Annual Burden Hours: 1,400.

Abstract: This information collection seeks feedback on AmeriCorps Day of Service Application Instructions for future MLK and 9/11 Day of Service grant competitions after the expiration of the current Application Instructions. AmeriCorps seeks to revise the current information collection instrument to reflect the Single Audit threshold of \$1,000,000 (formerly \$750,000), revise the definition of “equipment” to reflect an acquisition cost of \$10,000 or more per unit (formerly \$5,000), and update the *de minimis* rate to 15% of modified total direct costs (formerly 10%). The information collection will be used in the same manner as the existing application. AmeriCorps also seeks to continue using the current application until the revised application is approved by OMB. The current application is due to expire on March 31, 2026.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of

the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information. All written comments will be available for public inspection on [regulations.gov](https://www.regulations.gov).

Mary Hyde,

Acting Chief of Program Operations.
