SUPPLEMENTARY INFORMATION:

I. Abstract

Homeland Security Presidential Directive 12 (HSPD-12) established a mandatory requirement for a Government-wide identity verification standard. In compliance with HSPD-12 and the

National Institute of Standards and Technology (NIST) Federal Information Processing Standard (FIPS) 201: Personal Identity Verification of Federal Employees and Contractors, and OMB Policy memorandum M-05-24 Implementation of Homeland Security Presidential Directive 12, NASA must collect information from members of the public to: (1) validate identity and (2) issue secure and reliable federal credentials to enable access to NASA facilities/sites and NASA information systems. Information collected is consistent with background investigation data to include but not limited to name, date of birth, citizenship, social security number (SSN), address, employment history, biometric identifiers (e.g. fingerprints), signature, digital photograph. NASA collects information from U.S. Citizens and U.S. Persons requiring access 30 or more days in a calendar year. NASA also collects information from foreign nationals regardless of their affiliation time.

NASA collects, stores, and secures information from individuals identified above in the NASA Identity Management and Account Exchange System (IdMAX) in a manner consistent with the Constitution and applicable laws, including the Privacy Act (5 U.S.C. 552a).

Information is collected via a combination of electronic and paper processes and stored in the NASA IdMAX.

NASA is committed to effectively performing the Agency's communication function in accordance with the Space Act Section 203 (a)(3) to "provide for the widest practicable and appropriate dissemination of information concerning its activities and the results thereof," and to enhance public understanding of, and participation in, the nation's aeronautical and space program in accordance with the NASA Strategic Plan.

II. Methods of Collection

NASA collects this information electronically (90%) and on paper (10%).
