**SUPPLEMENTARY INFORMATION:**

**Addition**

On December 29, 2025, the Committee for Purchase From People Who Are Blind or Severely Disabled (operating as the U.S. AbilityOne Commission) published an initial notice of proposed additions to the Procurement List. (90 FR 60683) The Committee determined that the services listed below are suitable for procurement by the Federal Government and has added these services to the Procurement List as a mandatory purchase for the contracting activities listed. In accordance with 41 CFR 51-5.3(b), the mandatory purchase requirement is limited to contracting activities at the locations listed and in accordance with 41 CFR 51-5.2, the Committee has authorized the listed nonprofit agencies as the authorized source(s) of supply.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the product(s) and service(s) and impact of the additions on the current or most recent contractors, the Committee has determined that the product(s) and service(s) listed below are suitable for procurement by the Federal Government under 41 U.S.C. 8501-8506 and 41 CFR 51-2.4.

*Regulatory Flexibility Act Certification*

End of Certification

1. The action will not result in additional reporting, recordkeeping or other compliance requirements for small entities.
2. The action may result in authorizing small entities to furnish the service(s) to the Government.
3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501-8506) in connection with the service(s) deleted from the Procurement List.

*End of Certification*

Accordingly, the following service(s) are added to the Procurement List:

*Service Type:* Document Destruction

*Mandatory for:* US Air Force, Oklahoma City-Air Logistics Complex, 7858 5th Street, Tinker, AFB, OK

*Designated Source of Supply:* The Meadows Center for Opportunity, Inc., Edmond, OK

*Contracting Activity:* DEPT OF THE AIR FORCE, FA8132 AFSC PZIMC

The Committee finds good cause to dispense with the 30-day delay in the effective date normally required by the Administrative Procedure Act. See 5 U.S.C. § 553(d). This addition to the Committee's Procurement List is effectuated due to the requirements of the DEPT OF THE AIR FORCE. The Federal customer contacted and has worked diligently with the AbilityOne Program to fulfill this service need under the AbilityOne Program. To avoid performance

disruption, and the possibility that the DEPT OF THE AIR FORCE will refer its business elsewhere, this addition must be effective on 2/25/2026, ensuring timely execution for a 3/1/2026 start date. The Committee published an initial notice of proposed Procurement List addition in the Federal Register on 12/29/2025 (90 FR 60683) but did not receive any comments. This addition will not create a public hardship and has limited effect on the public at large. Rather, this addition will create new jobs for other affected parties - people with significant disabilities in the AbilityOne program who otherwise face challenges locating employment. Moreover, this addition enables the Federal customer to continue operations without interruption.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501-8506) in connection with the product(s) and service(s) deleted from the Procurement List.
