Background

On June 11, 2025, Commerce published the *Preliminary Results*.¹ On July 15, 2025, Commerce issued a post-preliminary analysis memorandum to: (1) address the American Shrimp Processors Association's (ASPA) particular market situation allegation; and (2) make certain changes to our differential pricing analysis, and we invited interested parties to comment.² On August 6, 2025, the Ad Hoc Shrimp Trade Action Committee (the petitioner); the

Devi Group;³ Sandhya Aqua Exports Private Limited (Sandhya); Alpha Marine Limited (Alpha Marine); and the Indian Exporters⁴ submitted case briefs.⁵ On August 11, 2025, the petitioner and ASPA submitted rebuttal briefs.⁶

On September 25, 2025, Commerce extended the deadline for the final results until November 7, 2025.⁷ Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁸ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁹ On December 22, 2025, Commerce further extended the deadline for the final results.¹⁰ Accordingly, the deadline for these final results is now January 28, 2026.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs submitted by interested parties are listed in Appendix I to this notice and addressed in the Issues and Decision Memorandum.

Changes Since the *Preliminary Results* and Post Preliminary Analysis

Based on our analysis of the comments received from interested parties, we made certain changes to the weighted average dumping margins for the Devi Group and Sandhya. For a discussion of these changes, see the Issues and Decision Memorandum.

Review-Specific Rate for Non-Examined Companies

The Act and Commerce's regulations do not address the establishment of a weighted-average dumping margin to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a less-than-fair-value (LTFV) investigation, for guidance when calculating the weighted-average dumping margin for companies which were not selected for individual examination in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters

¹² See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Certain Frozen Warmwater Shrimp from India*, 70 FR 5147 (February 1, 2005) (*Order*).

and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely on the basis of facts available.

Consistent with section 735(c)(5)(A) of the Act, we calculated the weighted-average dumping margin for the non-selected companies using the calculated rates of the mandatory respondents, the Devi Group and Sandhya, which are not zero or *de minimis*, or determined entirely on the basis of facts available.¹³

Final Results of Review

For these final results of this review, we determine the following estimated weighted-average dumping margins exist for the period February 1, 2023, through January 31, 2024:

Producer or Exporter	Weighted-Average Dumping Margin (percent)
Devi Fisheries Limited; Satya Seafoods Private Limited; Usha Seafoods; Devi Aquatech Private Limited	2.71
Sandhya Aqua Exports Private Limited	5.08
Review-Specific Rate for Companies Not Selected for Individual Examination ¹⁴	3.76

Disclosure

Commerce intends to disclose the calculations and analysis performed in connection with the final results of this administrative review to interested parties within five days of any public announcement or, if there is no public announcement, within five days of the publication date of this notice in the *Federal Register*, in accordance with 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. Pursuant to 19 CFR 351.212(b)(1), because both the Devi Group and Sandhya reported the

¹³ See Memorandum, “Calculation of the Cash Deposit Rate for Non-Reviewed Companies for the Final Results in the 2023-2024 Administrative Review of the Antidumping Duty Order on Frozen Warmwater Shrimp from India,” dated concurrently with this notice; see also Attachment II, for the list of companies not selected for individual examination.

¹⁴ See Appendix II.

entered value for all of their U.S. sales, we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of antidumping duties calculated for each importer's examined sales to the total entered value of these sales. Where an importer-specific assessment rate is *de minimis* (*i.e.*, less than 0.5 percent), we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce's "automatic assessment" practice will apply to entries of subject merchandise during the POR produced by the Devi Group or Sandhya for which the reviewed companies did not know that the merchandise they sold to an intermediary (*e.g.*, a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate established in the LTFV investigation if there is no rate for the intermediate company(ies) involved in the transaction.¹⁵

For the companies not selected for individual examination, we will instruct CBP to assess antidumping duties on all appropriate entries at the review-specific rate, calculated as noted in the "Review-Specific Rate for Non-Examined Companies" section, above.¹⁶

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the *Federal Register*. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the company listed above will be equal to the weighted-average

¹⁵ For a full discussion of this practice, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

¹⁶ See section 735(c)(5)(A) of the Act.

dumping margin that is established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated or reviewed companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, a prior review, or the LTFV investigation, but the producer is, the cash deposit rate will be the cash deposit rate established for the most recently completed segment for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 10.17 percent, the all-others rate established in the LTFV investigation.¹⁷ These deposit requirements, when imposed, shall remain in effect until further notice.

Administrative Protective Order (APO)

This notice serves as the only reminder to parties subject to an APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

¹⁷ See Order.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
