Abstract of information available

A total of 16 cultural items have been requested for repatriation. The 16 objects of cultural patrimony are 14 baskets, one mano, and one metate. The objects of cultural patrimony were primarily collected from various locations within San Bernardino County, California, with one object collected in Riverside County, California. One basket was made by Dolores Crispin, a known maker from the Serrano community. The basket was collected from Coachella by Edward Strasburg at an unknown date and donated to LACMNH in 1928. Nine baskets were collected

from the San Manuel Reservation and one basket was collected from Arrowhead Springs by L.B. Manson at an unknown date and donated to LACMNH by Byrne C. Manson in 1946. One basket was collected from Del Rosa Rancheria by Henrietta Waters Cole in the early 1900s and donated to LACMNH by Caroline S. Waters and Leila B. Waters in 1947. Two baskets were purchased in Highland by Helen A. Vahey in the early 1900s and donated to LACMNH in 1961. The mano and metate were collected near Baldwin Lake, Bear Valley by an unspecified collector and date. They were donated to LACMNH by Glenn Edgerton in 1932.

Determinations

The LACMNH has determined that:

- The 16 objects of cultural patrimony described in this notice have ongoing historical, traditional, or cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision), according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization.
- There is a connection between the cultural items described in this notice and the Yuhaaviatam of San Manuel Nation (previously listed as San Manuel Band of Mission Indians, California).

Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under ADDRESSES. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE **FEDERAL REGISTER**]. If competing requests for repatriation are received, the LACMNH must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural

items are considered a single request and not competing requests. The LACMNH is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.
