Abstract: Public Law 116-315, Johnny Isakson and David P. Roe, M.D. Veterans Health Care and Benefits Improvement Act of 2020, provided authority for VA's Homeless Programs Office (HPO) to grant funding to eligible organizations that will coordinate or provide legal services to Veterans who are homeless or at-risk of homelessness. Several sections, including section 4202, of the Act were created to better serve Veterans who are struggling with homelessness or housing insecurity. Requests for funding by applicants are likely to exceed the amount of funding appropriated to the VA for these grants. The VA must collect data to prioritize applicants for funding. The legal authority for this data collection is found under 38 USC, Part I, Chapter 5, Section 527, which authorizes the collection of data that will allow measurement and evaluation of the Department of Veterans Affairs Programs, the goal of which is to improve health care and services for Veterans. This information collection

includes grant eligibility criteria, application requirements, scoring criteria, constraints on the allocation and use of the funds, and other requirements necessary to implement this grant program.

HPO will use information collected to determine if an applicant is eligible to receive grant funding. HPO also will obtain information necessary to ensure that federal funds are awarded to applicants who are financially stable and have the capacity to conduct the program for which a grant is awarded. HPO could not perform its statutory obligation to administer the program if this data were not collected.

The following forms will be used to collect data for the LSV-H Grant Program:

VA Form 10-318a -- Application: This form will be used to collect data from eligible entities applying to be LSV-H grant recipients. The items required in this application are used to determine if an applicant can provide legal services to Veterans. The scoring criteria is at VA's discretion and is not mandated by the statute.

VA Form 10-318b -- Renewal Application: This form will be used to collect data from existing grantees that were previously awarded LSV-H grants.

VA Form 10-319a -- Quarterly Grantee Performance Report: HPO will collect this information to ensure that grantees comply with program requirements described in 38 CFR part 79 and their grant agreements.

VA Form 10-319b -- Budget Changes and Corrective Action Plan (CAP): This information is needed for a grantee to inform HPO of significant changes that will alter their approved grant program. HPO may require grantees to initiate and develop corrective action plans and submit them to VA for approval.
