Abstract: Title I, Part A (Title I) of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act of 2015 (ESSA), contains several provisions that require State educational agencies (SEAs), local educational agencies (LEAs), and schools to collect and disseminate information. Thus, SEAs, LEAs, and schools collect and disseminate the information to carry out these reporting requirements. The collected information facilitates compliance with statutory requirements and provides information to school communities (including parents), LEAs, SEAs and the U.S. Department of Education (the Department) regarding activities required under Title I of the ESEA. The Paperwork Reduction Act (PRA) covers these activities. However, the present information collection authorization is due to expire. Therefore, the Department requests an extension of the currently approved information collection (1810-0581).
