SUPPLEMENTARY INFORMATION:

Background

On February 10, 2000, Commerce published in the *Federal Register* the AD order on

CTL plate from Korea.¹ On February 3, 2025, Commerce published in the *Federal Register* a notice of opportunity to request an administrative review of the *Order* for the POR.² On March 28, 2025, based on timely requests for an administrative review, Commerce initiated this administrative review of the *Order* with respect to four companies³ and subsequently selected Dongkuk Steel Mill Co., Ltd., and Hyundai Steel Company as the mandatory respondents.⁴

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days⁵ and, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁶ On December 17, 2025, and January 16, 2026, Commerce extended the time limit for these preliminary results, pursuant to section 751(a)(3)(A) of Tariff Act of 1930, as amended (the Act) and 19 CFR 351.213(h)(2).⁷ Accordingly, the deadline for these preliminary results is now February 20, 2026.

For a complete description of events that occurred since the *Initiation Notice*, see the Preliminary Determination Memorandum.⁸ A list of the topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice. Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested the review withdraw their review requests within 90 days of the date of publication of the notice of initiation for the requested review.⁹ On June 26, 2025, Nucor Corporation, SSAB Enterprises, LLC, and Cleveland-Cliffs Inc. withdrew their request for the review of Daeik Eng Co., Ltd., and MAIKO International within the 90-day deadline.¹⁰ No other parties requested an administrative review of these two companies. Assessment Rates

Upon completion of the final results of this administrative review, pursuant to section 751(a)(2)(A) of the Act, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise covered by this review.¹⁸ If a respondent's weighted-average dumping margin is not zero or *de minimis* (*i.e.*, less than 0.50 percent) in the final results of this review, we intend to calculate an importer-specific assessment rate based on the ratio of the total amount of dumping calculated for each

¹⁶ See *APO and Service Final Rule*.

¹⁷ See 19 CFR 351.310(d).

¹⁸ See 19 CFR 351.212(b)(1).

importer's examined sales and the total entered value of the sales in accordance with 19 CFR 351.212(b)(1).¹⁹ If the respondent's weighted-average dumping margin or an importer-specific assessment rate is zero or *de minimis* in the final results of this review, we intend to instruct CBP to liquidate the appropriate entries without regard to antidumping duties.²⁰

For entries of subject merchandise during the POR produced by either of the individually examined respondents for which they did not know that the merchandise was destined to the United States, we will instruct CBP to liquidate these entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.²¹

For the companies for which this review is rescinded with these preliminary results, we will instruct CBP to assess antidumping duties on all appropriate entries at a rate equal to the cash deposit of antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the POR in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue these rescission instructions to CBP no earlier than 35 days after the date of publication of this notice in the *Federal Register*.

The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.²² We intend to issue assessment instructions regarding the individually examined respondents to CBP no earlier than 35 days after the date of publication of the final results of this review in the *Federal Register*. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication in the *Federal Register* of the notice of the final results of this administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the individually examined respondents listed above will be that established in the final results of this administrative review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for merchandise exported by companies not covered in this review but covered in a prior segment of this proceeding, the cash deposit rate will continue to be the company-specific rate published in the completed segment for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the investigation but the producer is, then the cash deposit rate will be the rate established in the most recently completed segment for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 0.98 percent, the all-others rate established in the investigation.²³ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of countervailing duties.
