**SUMMARY:** Notice is hereby given that a complaint was filed with the U.S. International Trade Commission on January 21, 2026, under section 337 of the Tariff Act of 1930, as amended, on behalf of Inventist, Inc. of Camas, Washington, and Alien Technology Group, Inc. d/b/a Alien Rides of San Francisco, California. An amended complaint was filed on February 2, 2026. A second amended complaint was filed on February 17, 2026. The complaint, as amended, alleges violations of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain gyro-stabilized electric unicycles and components thereof and products containing the same by reason of the infringement of certain claims of U.S. Patent No. 8,807,250 (“the ’250 patent”) and the claim of U.S. Patent No. D729,698 (“the ’698 patent”). The complaint, as amended, further alleges that an industry in the United States exists or is in the process of being established as required by the applicable Federal Statute.

The complainants request that the Commission institute an investigation and, after the investigation, issue a general exclusion order, or in the alternative a limited exclusion order, and cease and desist orders.
