Background

Section 327 of title 23, United States Code (U.S.C.), allows the Secretary of the DOT to assign, and a State to assume, the responsibilities under NEPA (42 U.S.C. 4321 et seq.) and all or part of the responsibilities for environmental review, consultation, or other actions required under certain Federal environmental laws with respect to one or more Federal-aid highway projects within the State. The FHWA is authorized to act on behalf of the Secretary with respect to these matters.

The ODOT entered the Program on December 28, 2015 after submitting its application to FHWA, obtaining FHWA's approval, and entering into a MOU in accordance with 23 U.S.C. 327 and FHWA's application regulations for the Program (23 CFR part 773). The MOU was amended on June 6, 2018. On December 6, 2019, after coordination with FHWA, ODOT submitted the renewal package in accordance with the renewal regulations in 23 CFR 773.115. The First Renewal MOU was executed on December 14, 2020 and currently set to expire on December 28, 2025. On November 5, 2025, FHWA extended the First Renewal MOU to June 28, 2026.

Under the proposed renewal MOU, FHWA would assign to the State, through ODOT, its responsibility of making project-level decisions in relation to NEPA on highway projects within the State of Ohio that are proposed to be funded with Title 23 funds or otherwise require FHWA approval, and that require preparation of a categorical exclusion determination, environmental assessment, or environmental impact statement with the exception of the following: (1) highway projects authorized under 23 U.S.C. 202 and 203, highway projects under 23 U.S.C. 204 unless the project will be designed and constructed by ODOT; (2) projects that cross State boundaries; (3) projects that cross or are adjacent to international boundaries; (4) recreational trails projects under 23 U.S.C. 206; and (5) any project advanced by a Non-ODOT Direct Recipient of Federal-Aid Highway Funds, i.e. a project in which the Federal funds do not pass through ODOT and there is no Local Public Agency Federal project agreement between ODOT and the Non-ODOT entity.
