Also included Detector Sensing Unit (DSU)-38A/B Laser kits, DSU-33D/B proximity sensors, Wireless Paveway Avionics Kit (WIPAK) interfaces for Enhanced Paveway II bombs, repair and return services, transportation, engineering services, and other support services. The estimated total case value was \$320.5 million. Major Defense Equipment (MDE) constituted \$240.5 million of this total.

This transmittal notifies the inclusion of the following additional MDE items: two hundred eighty-six (286) Munitions Adaptor Unit (MAU)-169L/B Computer Control Groups (CCGs) for GBU-12 500 lb Paveway II; two hundred eighty-six (286) MXU-650C/B Air Foil Groups (AFGs) for GBU-12 500 lb Paveway II; one hundred fifty-five (155) MAU-210F/B Enhanced CCGs (ECCGs) for GBU-49 500 lb Enhanced Paveway II (EPII); one hundred fifty-five (155) MXU-650M/B for GBU-49 500 lb EPII; one thousand twenty (1,020) KMU-572 F/B Joint Direct Attack Munition (JDAM) kits for GBU-38 500 lb; five hundred six (506) KMU-556 F/B JDAM kits for GBU-31 2000 lb; and one hundred thirty-eight (138) KMU-557 F/B JDAM kits for GBU-31 2000 lb. The following non-MDE items will also be included: practice bombs; bomb components; United States (U.S.) Government and contractor engineering, logistics, and technical support services; and other related elements of logistics and program support. The estimated total value of the new items is \$142 million. The estimated MDE value will increase by \$131 million. The estimated non-MDE value will increase by \$11 million to a revised \$91 million. The estimated total case value will increase by \$142 million to a revised \$462.5 million. MDE will constitute \$371.5 million of this total.

(iv) Significance: This notification is being provided because the additional MDE items were not enumerated in the original notification. The proposed sale will improve NATO's capability to respond to current and future ground threats. NATO will use the enhanced capability as a deterrent to regional threats and to increase interoperability within contingency operations.

(v) Justification: This proposed sale will support the foreign policy goals and national security objectives of the U.S. by improving the security of NATO partners that are a force for political stability and economic progress in the North Atlantic region.

(vi) Sensitivity of Technology:

The Sensitivity of Technology statement contained in the original notification applies to items reported here.

The highest level of classification of defense articles, components, and services included in this potential sale is SECRET.

(vii) Date Report Delivered to Congress: **July 10, 2025**
