SUPPLEMENTARY INFORMATION: This action is being taken in accordance with the Federal Advisory Committee Act (FACA), 5 U.S.C. §§ 1001-1014.

The purpose of the ETAAC is to provide continuing advice regarding the development and implementation of the IRS organizational strategy for electronic tax administration. ETAAC is an organized public forum for discussion of electronic tax administration issues such as prevention of identity theft and refund fraud. It supports the overriding goal that paperless filing should be the preferred and most convenient method of filing tax and information returns.

ETAAC members convey the public's perceptions of IRS electronic tax administration activities, offer constructive observations about current or proposed policies, programs, and procedures, and suggest improvements.
