[Release No. 34-104941; File No. SR-EMERALD-2026-07]

Self-Regulatory Organizations: Notice of Filing of a Proposed Rule Change by MIAX

Emerald, LLC to Amend the By-Laws to Establish the Role of Observers

March 6, 2026.

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 27, 2026, MIAX Emerald, LLC (“MIAX Emerald” or the “Company”),³ filed with the Securities and Exchange Commission (“Commission”) a proposed rule change as described in Items I and II below, which Items have been prepared by the Company. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Company proposes to amend the By-Laws to establish the role of Observers (defined and described below) to the Board⁴, including, among other things, the rights of Observers and the nomination process. The Company also proposes to remove outdated text regarding Interim Directors.⁵ All changes to the By-Laws proposed herein are referred to as the “By-Law Amendments”. The By-Laws of the Company may be amended by written consent of the LLC

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ As used throughout the By-Laws of MIAX Emerald, the term “Company” means MIAX Emerald, LLC, a Delaware limited liability company. See By-Laws of MIAX Emerald, Article I, subparagraph (g) (Effective Date of February 10, 2025), available at https://www.miaxglobal.com/miax_emerald_amended_and_restated_by_laws.pdf (referred to herein as the “By-Laws”).

⁴ The term “Board” or “Board of Directors” means the Board of Directors of the Company. See By-Laws, Article I, subparagraph (c).

⁵ In general, the term “Interim Directors” means the Interim Directors of the Board of Directors that were appointed by the LLC Member and served until the first annual meeting of the LLC Member following the approval of the Company as a national securities exchange by the U.S. Securities and Exchange Commission (“Commission”), which meeting was held within ninety (90) days after the MIAX Emerald application for registration as a national securities exchange was granted. See, generally, By-Laws, Article II, Section 2.5.

Member⁶ or at any regular or special meeting of the Board of MIAAX Emerald by a resolution adopted by the Board.⁷

The text of the proposed rule change is available on the Company's website at <https://www.miaxglobal.com/markets/us-options/all-options-exchanges/rule-filings>, or at the Company's principal office.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Company included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Company has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Company proposes to amend the By-Laws to establish the role of Observers to the Board, including, among other things, the rights of Observers and the nomination process. The Company also proposes to remove outdated text regarding Interim Directors. The Company believes that individuals who are employed by, or otherwise affiliated with, its Exchange Members⁸ may provide valuable expertise and knowledge to help the Company carry out its business but may not be able, or willing, to serve as a Board member for one reason or another.

⁶ The term "LLC Member" means any person who maintains a direct ownership interest in the Company. The sole LLC Member of the Company is Miami International Holdings, Inc. See By-Laws, Article I, subparagraph (v).

⁷ See By-Laws, Article VIII, Section 8.1.

⁸ The term "Exchange Member" means any registered broker or dealer that has been admitted to membership in the national securities exchange operated by the Company. An Exchange Member is not a member of the Company by reason of being an Exchange Member. An Exchange Member will have the status of a "member" of the Exchange as that term is defined in Section 3(a)(3) of the Act. See By-Laws, Article I, subparagraph (n).

Accordingly, the Company believes that the proposed Observer position may provide a suitable alternative for these individuals to serve the Company in a similar manner to observer positions that at least one other exchange has in place.

Proposal to Establish the Role of Observers, Rights and Nomination Process

First, the Company proposes to amend Article I, Definitions, of the By-Laws to establish the following defined terms for “Observer” and “Observer Threshold”, which will be numbered as proposed subparagraphs (cc) and (dd),⁹ respectively:

- “Observer” shall mean a person affiliated with an Exchange Member that is elected by the LLC Member to be an observer to the Board, after having been nominated by the Member Nominating Committee, all as set forth in Section 2.21 below.
- “Observer Threshold” means the minimum percentage of issued and outstanding shares of common stock or securities exercisable or convertible into shares of common stock of the LLC Member that an Exchange Member (including its affiliates) must own in order to qualify for a person affiliated with such Exchange Member being elected as an Observer to the Board, all as set forth in Section 2.21 below. The Observer Threshold shall be equal to at least one percent (1%) of the issued and outstanding shares of common stock of the LLC Member, taking into account securities that are exercisable or convertible into shares of common stock of the LLC Member.

The purpose of the proposed changes to amend the By-Laws to add the defined terms for “Observer” and “Observer Threshold” is to provide clarity to Exchange Members regarding the proposed new position of Observer to the Board and the requirements for being able to nominate an individual in such capacity.

The proposed defined terms are not new or novel. MEMX LLC (“MEMX”) provides for the ability of certain of its members to nominate observers to its board of directors in a similar capacity as proposed herein, and the corporate governance documents of MEMX and its parent holding company, MEMX Holdings LLC (“MEMX Holdco”), when read together, provide for

⁹ In connection with the addition of the proposed defined terms, the Company also proposes to renumber current subparagraphs (cc) through (ii) to now be (ee) through (kk) in Article I of the By-Laws. The purpose of these changes is to provide uniformity and clarity in the By-Laws with the addition of the newly proposed definitions, all of which are in alphabetical order.

similarly defined terms.¹⁰ In particular, the MEMX LLC Agreement defines “Observer Threshold” as follows:

“Observer Threshold” means the minimum number of units of Holdco Class A Units that an Investor Holdco Member must hold in order to have the right to appoint a Board Observer pursuant to Section 8.18(g) of the Holdco LLC Agreement.¹¹

The Company notes that MEMX’s board observer provisions in its corporate documents automatically grant the right to its exchange members to appoint an observer (barring any disqualifier, such as already having a director position on the same board) so long as the requisite ownership threshold is met.¹² This is slightly different from the Company’s proposal that Exchange Members that satisfy the proposed Observer Threshold (and all other proposed Observer requirements, as described further below), may submit candidate names to the Member Nominating Committee¹³ for consideration for nomination as an Observer. The Company believes this slight difference is reasonable due to the difference in ownership structures of MEMX and the Company, including its affiliated regulated exchanges (Miami International Securities Exchange, LLC (“MIAX”); MIAX PEARL, LLC (“MIAX Pearl”); and MIAX Emerald, LLC (“MIAX Emerald”)). MEMX, through its holding company, MEMX Holdco, is a privately owned company while the Company and its affiliated exchanges are wholly-owned subsidiaries of a publicly-traded company, Miami International Holdings, Inc. (i.e., the LLC

¹⁰ See, generally, Third Amended and Restated Limited Liability Company Agreement of MEMX (dated as of June 5, 2025), available at https://info.memxtrading.com/wp-content/uploads/2025/08/MEMX-LLC-3rdAR_LLCA.pdf (referred to herein as the “MEMX LLC Agreement”) and Eighth Amended and Restated Limited Liability Company Agreement of MEMX Holdco (dated as of July 29, 2025), available at <https://info.memxtrading.com/wp-content/uploads/2026/01/MEMX-Holdings-LLC-8th-AR-LLC-Agreement-12.16.25-1.pdf> (referred to herein as “MEMX Holdco LLC Agreement”).

¹¹ See MEMX LLC Agreement, Section 1.1. The MEMX Holdco LLC Agreement provides the specific requirement for the number of units that must be held in order for MEMX members to be able to appoint an observer to the MEMX exchange board of directors. See MEMX Holdco LLC Agreement, Section 8.18(g) (providing, in summary, that “each Exchange Board Observer Appointing Member shall have the right, but not the obligation, to appoint one (1) observer to each Exchange Board...for so long as such Exchange Board Observer Appointing Member holds an aggregate number of Class A Units, Class C Units and/or Class D Units equal to at least 1,250,000 (subject to adjustment...)”).

¹² See MEMX LLC Agreement, Section 7.3(c)(ix).

¹³ The term “Member Nominating Committee” means the Member Nominating Committee elected pursuant to these By-Laws. See By-Laws, Article I, subparagraph (w).

Member). As such, MEMX Holdco is able to restrict ownership in itself and subsidiaries to particular market participants and, therefore, only those particular members of MEMX would be able to meet the requirements to appoint a board observer. In the Company's case, its stock is publicly traded and any Exchange Member may acquire the requisite percentage of securities to be able to nominate a candidate for consideration by the Member Nominating Committee for nomination as an Observer to the Board. The Company believes this proposed part of the nominating process, whereby the Member Nominating Committee reviews candidate submissions for the Observer positions, provides an additional benefit of ensuring only the appropriate individuals are nominated for election to Observer positions.

Next, the Company proposes to amend Section 2.9 of the By-Laws to provide for removal and resignation provisions for Observers. In particular, the Company proposes to amend Section 2.9(a) of the By-Laws to provide that any Observer to the Board may be removed or expelled with or without cause by the LLC Member, which is similar to the removal provision applicable to Directors.¹⁴ The purpose of this proposed provision is to ensure that the LLC Member retains discretion to be able to remove an Observer from such position in a similar manner as Directors of the Company.¹⁵ In connection with this proposed change to the first sentence of Section 2.9(a), the Company also proposes to amend that sentence to specify that a Director may be removed by the Board of Directors in the manner provided by Article II, Section 2.9(b). The purpose of this proposed provision is to clarify that the provisions of Section 2.9(b) apply solely to the removal process for Directors, not Observers. The Company also proposes to amend Section 2.9(c) of the By-Laws to specify that an Observer, like a Director, may resign at

¹⁴ The term "Director" means the persons elected or appointed to the Board of Directors from time to time in accordance with the LLC Agreement and the By-Laws in their capacity as managers of the Company. See By-Laws, Article I, subparagraph (j).

¹⁵ The Company notes that this removal provision is comparable to the similar provision in the MEMX LLC Agreement concerning the removal of its board observers. See MEMX LLC Agreement, Section 7.6(a) (providing, in relevant part, that "[a] Board Observer may be removed at any time by [MEMX] Holdco (subject, in each case, to the provisions of [the MEMX LLC] Agreement and the [MEMX] Holdco LLC Agreement regarding the right to nominate and remove [MEMX] Board Observers.>").

any time either upon notice of resignation to the Chairman of the Board, the President or Secretary. The purpose of this proposed provision is to make it clear that Observers retain the right to be able to resign from such position in the event that they need to do so, while also providing the requisite notice to the Company to effectuate such removal.¹⁶

Next, the Company proposes to amend Section 2.10 of the By-Laws to specify that Observers may participate in a meeting of the Board either at the place of the meeting or via the same mode of communication as provided to the members of the Board. The purpose of this change is to provide the right of Observers to be able to attend Board meetings in the same manner and through the same mode of communication as provided to Directors and members of any committee of the Board.¹⁷

Next, the Company proposes to amend Section 2.18 of the By-Laws to include Observers in the list of individuals that the Board may provide for the reasonable compensation (in addition to the Chairman, Directors and members of committees). By including Observers in the first sentence of Section 2.18, the Company also intends that the Board may provide for reimbursement of reasonable expenses incurred by Observers, along with the Chairman, Directors and members of committees, in connection with the business of the Company. The purpose of this change is to provide the Board with discretion to offer reasonable compensation to Observers and reimburse reasonable expenses for Observers in connection with the business of the Company (i.e., reimbursement of travel expenses for Observers to attend in-person Board meetings). The Company believes this proposed change is reasonable because the decision of whether to compensate Observers and/or reimburse reasonable expenses of Observers related to

¹⁶ This provision is also comparable to the similar resignation provision in the MEMX LLC Agreement concerning the resignation of board observers. See MEMX LLC Agreement, Section 7.6(c) (“Any Director or Board Observer may resign at any time from his or her position as such upon notice of resignation to the Chairman of the Board, the CEO or the Secretary.”).

¹⁷ The Company believes that the MEMX LLC Agreement provides for similar provisions. See MEMX LLC Agreement, Section 7.7(a) (providing, in sum, that meetings of the board may be held either in person or by means of telephone or video conference or other communications device that permits all participants to hear each other) and MEMX LLC Agreement, Section 7.3(c)(xi) (providing, in sum, that board observers have the right to participate in any discussions taking place at a meeting of the board of directors of MEMX).

the business of the Company will ultimately remain with the Board.

Next, the Company proposes to amend Section 2.20 of the By-Laws to amend the provisions regarding conflicts of interest as well as contracts and transactions involving Directors to include Observers in those subparagraphs. In particular, the Company proposes to amend subparagraph (a) of Section 2.20 to provide that an Observer, along with Directors and members of any committee, may not participate in the consideration or decision of any matter relating to a particular Exchange Member, company, or individual if such Observer has a material interest in, or a professional, business, or personal relationship with, that Exchange Member, company, or individual, or if such participation shall create an appearance of impropriety. The Company proposes to further amend subparagraph (a) to provide that in any such case resulting in the appearance of impropriety, an Observer (along with Directors and members of any committee) shall recuse himself or herself or shall be disqualified.¹⁸ The purpose of this change is to provide that Observers will be subject to the substantively similar conflicts of interest provisions as the Company's Directors and members of any committee.¹⁹

The Company also proposes to amend subparagraph (b) of Section 2.20 of the By-Laws to include Observers in the provisions concerning certain contracts or transactions between the Company and Directors or Officers. In particular, the Company proposes to amend subparagraph (b) to provide that no contract or transaction between the Company and one or more Observers (along with Directors or officers), or between the Company and any other corporation, partnership, association, or other organization in which one or more Observers (or Directors or officers) are directors or officers, or have a financial interest, shall be void or voidable solely for this reason if: (i) the material facts pertaining to such Observer's (or Director's or officer's) relationship or interest and the contract or transaction are disclosed or are

¹⁸ The Company notes that the disqualification language pertains to Directors or committee members recusing themselves from any vote taking place; however, Observers will not have voting rights, as such, this last phrase "disqualified" in subparagraph (a) of Section 2.20 will not apply to Observers recusing themselves.

¹⁹ These changes are also in line with the similar conflicts of interest provisions in the MEMX LLC Agreement. See MEMX LLC Agreement, Section 7.9(a).

known to the Board or the committee, and the Board or committee in good faith authorizes the contract or transaction by the affirmative vote of a majority of the disinterested Directors, even though the disinterested Directors be less than a quorum; or (ii) the material facts are disclosed or become known to the Board or committee after the contract or transaction is entered into, and the Board or committee in good faith ratifies the contract or transaction by the affirmative vote of a majority of the disinterested Directors, even though the disinterested Directors be less than a quorum. The purpose of this change is to provide that Observers will be subject to the same provisions allowing certain contracts or transactions with the Company in substantially similar circumstances as the Company's Directors, officers and members of any committee.²⁰

Next, the Company proposes to establish new Section 2.21 of the By-Laws, titled "Observers," which will contain subparagraphs describing the number, term, nomination and election process, and rights and obligations for Observers. In particular, proposed Section 2.21(a) will provide that there may be up to three (3) Observers to the Board at any time, as determined by the LLC Member in its sole and absolute discretion.²¹ Further, proposed subparagraph (a) will provide that no current Observer may be affiliated²² with another current Observer or current Director of the Board. The purpose of these provisions is to place a limit²³ on

²⁰ This provision is also in line with the similar provisions in the MEMX LLC Agreement. See MEMX LLC Agreement, Section 7.9(b).

²¹ At the time of this filing, the Company does not believe that more than three (3) Exchange Members would meet the requirements to be able to nominate a candidate for appointment as an Observer. In the event that there was a significant change whereby more Exchange Members could meet the requirements to be able to nominate a candidate for appointment as an Observer, the Company would consider whether additional changes to the By-Laws were needed at that time. If the Company decides that more than three (3) Observers are needed, it will file another 19b-4 Rule Filing with the Securities and Exchange Commission ("Commission") to amend the By-Laws.

²² An "affiliate" of, or person "affiliated" with a specific person, is a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the person specified. See By-Laws, Article I, subparagraph (b).

²³ The Company does not believe that this limit will impede any Exchange Member from being able to appoint an Observer for those Exchange Members that meet the Observer Threshold and other requirements to be able to nominate a candidate to the Member Nominating Committee for nomination as an Observer. Certain Exchange Members already have an individual serving in a Director capacity on the Board, thereby eliminating their ability to also have an Observer to the Board pursuant to proposed Section 2.21(a) of the By-Laws. Further, the Company's affiliated exchanges (MIAX, MIAX Pearl, and MIAX Sapphire) plan to also file with the Commission to amend their by-laws to provide for the same Observer provisions as proposed herein. As such, the Company's Exchange Members who are also members of one or more of the Company's affiliated exchanges will have the opportunity to nominate a candidate to be

the number of Observers that may be appointed and specify that no Observer may be affiliated with another Observer or Director.²⁴

Proposed subparagraph (b) of Section 2.21 of the By-Laws will describe the terms for Observers. In particular, proposed subparagraph (b) will provide that term of office for each Observer shall be three (3) years from the date of their election. An Observer may serve for any number of terms, consecutive or otherwise. Observers shall be divided into up to three (3) classes, designated Class I, Class II, and Class III. Observers shall serve staggered three-year terms, with the term of one class expiring each year. In order to commence such staggered three-year terms, Observers in Class I shall serve until the second annual election of the Board of Directors, Observers in Class II shall initially serve until the third annual election of the Board of Directors, and Observers in Class III shall initially serve until the fourth annual election of the Board of Directors. Commencing with the second annual election of the Board of Directors, the term for each class of Observers elected at such time shall be three years from the date of their election. Notwithstanding the foregoing, in the case of any new Observer as contemplated by (proposed) Article II, Section 2.21(a), such Observer shall be added to a class, as determined by the Board at the time of such Observer's initial election or appointment, and shall have an initial term expiring at the same time as the term of the class to which such Observer has been added. The Exchange Member affiliated with an Observer must continue to satisfy the Observer Threshold for the duration of the Observer's term. If the Exchange Member affiliated with an Observer fails to meet the Observer Threshold at any time during the duration of the Observer's

considered for the Board Observer position by the Member Nominating Committees of those exchanges. At the time of this filing, the Company and all of its affiliated exchanges hold their board meetings at the same time, effectively allowing Board Observers for each affiliated exchange to be present at one time.

²⁴ This is in line with the similar provision in the MEMX LLC Agreement which does not permit an exchange member to have individuals holding a director position and observer position at the same time. See MEMX LLC Agreement, Section 7.3(c)(x) ("When a Nominating Investor Holdco Member reaches its turn in the Investor Director Nomination Rotation and its Investor Director nominee is elected to the Board...and is seated as a Director, its Board Observer (if any) shall be deemed automatically removed from his or her position...and, for as long as such Nominating Investor Holdco Member's Investor Director nominee is serving as an Investor Director, such Nominating Investor Holdco Member shall have no right to have a Board Observer.").

term, the Observer's term shall immediately terminate at such time. The Exchange Member affiliated with an Observer has an ongoing obligation to immediately notify the Company if such Exchange Member no longer meets the Observer Threshold.

The proposed term lengths and classes for Observers are based on the similar term provisions for the Company's Directors, which are also divided into three classes with staggered terms.²⁵ The purpose of this provision is to provide Observers with the same term length as Directors and avoid the Company having to go through lengthy nomination processes each year in the event there are several Observers. The requirement that the Exchange Member affiliated with an Observer must maintain the ownership requirement set forth in the Observer Threshold is to ensure that Exchange Members who meet such threshold continue to do so throughout the entire term of the Observer.²⁶

Proposed subparagraph (c) of Section 2.21 will describe the nomination and election process for Observers. In particular, proposed subparagraph (c) will provide that an Exchange Member that meets the requirements for the Observer Threshold and as specified in Section 2.21 may submit candidate names to the Member Nominating Committee for consideration for nomination as an Observer. The Member Nominating Committee shall consult with the Nominating Committee²⁷ and the Chairman and Chief Executive Officer for the purpose of nominating candidates for election as an Observer to the Board at the annual meeting of the LLC Member. The Nominating Committee shall nominate only those persons whose names have been submitted by the Member Nominating Committee. The LLC Member shall elect the persons nominated by the Nominating Committee to be Observers to the Board at the annual

²⁵ See By-Laws, Article II, Section 2.3(b).

²⁶ This holding requirement is in line with the similar provision in the MEMX LLC Agreement. See MEMX LLC Agreement, Section 7.3(d)(vi) ("An individual Board Observer position shall be immediately terminated following a Transfer of Holdco Units by an Investor Holdco Member which, after giving effect to such Transfer, results in such Investor Holdco Member holding a number of Holdco Class A Units that is less than the Observer Threshold...").

²⁷ The term "Nominating Committee" means the Nominating Committee elected pursuant to the By-Laws. See By-Laws, Article I, subparagraph (z).

meeting of the LLC Member. The purpose of conducting the nomination and election process for Observers in the manner described above is to keep this process in line with the process used to nominate and elect Member Representative Directors.²⁸

Proposed subparagraph (d) to Section 2.21 of the By-Laws would describe the rights and obligations of Observers. In particular, subparagraph (d) will provide that the Company shall invite the Observers to attend all meetings of its Board of Directors in a non-voting observer capacity, and, in this respect, shall give Observers copies of all notices, minutes, consents, and other materials that it provides to Directors, at the same time and in the same manner as provided to such Directors; provided, however, that such Observers shall agree in writing to hold in confidence and trust and to act in a fiduciary manner with respect to all information so provided; and provided further, that the Company reserves the right to withhold any information and to exclude any such Observers from any meeting or portion thereof if access to such information or attendance at such meeting could adversely affect the attorney-client privilege between the Company and its counsel or result in disclosure of trade secrets or a conflict of interest.²⁹ The purpose of this provision is to clarify the rights of Observers and limitations on their capacity to attend Board meetings and receive Board materials.³⁰

Next, the Company proposes to amend Section 3.1(a) of the By-Laws to include Observers in the list of individuals that are to be elected at the annual meeting of the LLC Member, with such time and place of the annual meeting to be determined by the Board. The

²⁸ See By-Laws, Article II, Section 2.4(b). The Company notes that the process for nominating and electing Observers does not include the petition process for the Member Representative Director elections, as described in subparagraphs (c)-(f) of Section 2.4 of the By-Laws. The Company believes the petition process is not needed for Observers as Observers have no voting rights, the pool of candidates is much smaller for Observers as compared to Member Representative Directors, and Exchange Members that are members of the Company's affiliated exchanges and meet the requirements to be able to nominate a candidate as an Observer, may submit candidate names to the Member Nominating Committees of the Company's affiliated exchanges for consideration for nomination as an Observer.

²⁹ The Company notes that proposed Section 2.21(d) does not override the confidentiality provisions related to the Company's self-regulatory function that are described in Section 10.4 of the By-Laws.

³⁰ This is in line with the similar provision in the MEMX LLC Agreement describing the rights, obligations and limitations for its board observers. See MEMX LLC Agreement, Section 7.3(c)(xi).

purpose of this change is to provide specific details concerning the time and place for Observer candidates to be elected to such position. The Company believes this to be reasonable as it would allow Observers to be elected at the same annual meeting as Directors and committee members, as described in proposed Section 3.1(a) of the By-Laws.

The Company also proposes to amend Section 5.3 of the By-Laws to add a sentence regarding the Member Nominating Committee's role in connection with the nomination of Observers. As described above, proposed Section 2.21(c) will provide, among other things, that the Member Nominating Committee shall consult with the Nominating Committee and the Chairman and Chief Executive Officer for the purpose of nominating candidates for election as an Observer to the Board at the annual meeting of the LLC Member. The Company proposes to amend Section 5.3 to add that same sentence since this section also discusses the Member Nominating Committee's role in nominating candidates for certain positions on the Board.

Finally, the Company proposes to amend Section 10.3 of the By-Laws to include Observers in the list of individuals that may participate in Board meetings that pertain to the self-regulatory function of the Company.³¹

Proposal to Remove References to Interim Directors and Initial Committees

The Company proposes to amend various subparagraphs and sections of the By-Laws to delete outdated references to Interim Directors and initial committees. On December 20, 2018, the Commission approved the Company's Form 1 application for registration as a national securities exchange under Section 6 of the Exchange Act.³² On March 1, 2019, the Company launched electronic operations as a national securities exchange.³³ Pursuant to the By-Laws and prior to commencing operations, the LLC Member (i.e., Miami International Holdings, Inc.)

³¹ This is in line with the similar provision in the MEMX LLC Agreement. See MEMX LLC Agreement, Section 7.12.

appointed an interim board of directors (the “Interim Exchange Board”)³⁴ and appointed the initial Nominating Committee and Member Nominating Committee. The Interim Exchange Board served until the first annual meeting of the LLC Member pursuant to Section 2.5(a) of the By-Laws.³⁵ The initial Nominating Committee and Member Nominating Committee served until the second annual meeting of the LLC Member. Accordingly, the Company proposes to amend the By-Laws to remove all references and sections relating to “Interim Directors” and the initial Nominating Committee and Member Nominating Committee as those provisions are outdated.

In particular, the Company proposes to make the following changes:

- delete “appointed as such to the initial Board of Directors pursuant to Article II, Section 2.5 of these By-Laws, or” in Article I, subparagraph (x);
- delete the reference to “or Section 2.5” in Section 2.2(b)(i);
- delete subparagraph (e) of Section 2.2;
- delete the heading and subparagraphs (a) – (f) of Section 2.5 and replace the heading with “[Reserved]” so as to keep the remaining hierarchical headings in place throughout the By-Laws;
- delete subparagraph (b) of Section 3.1; and
- delete several sentences in Section 5.1 relating to the initial appointment of the Nominating Committee and Member Nominating Committee.

The purpose of these proposed changes is to update the By-Laws to remove outdated references, which will provide clarity to market participants regarding the status of the Company’s Directors, Nominating Committee and Member Nominating Committee throughout the By-Laws.

2. Statutory Basis

The Company believes that the proposed By-Law Amendments are consistent with

Section 6(b) of the Exchange Act,³⁶ in general, and furthers the objectives of Section 6(b)(1)³⁷ in particular, in that it enables the Company to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act and to comply, and to enforce compliance by its Exchange Members and persons associated with its Exchange Members, with the provisions of the Exchange Act, the rules and regulations thereunder, and the rules of the Company. The Company also believes that the proposed By-Law Amendments are consistent with Section 6(b)(5) of the Exchange Act,³⁸ in that they are designed to prevent fraudulent and manipulative acts and practices, promote just and equitable principles of trade, foster cooperation and coordination with persons engaged in facilitating transactions in securities, remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, protect investors and the public interest.

Proposal to Establish the Role of Observers, Rights and Nomination Process

The Company believes its proposal to amend the By-Laws to establish the role of Observers to the Board is consistent with the Act as this may facilitate additional participation by individuals affiliated with Exchange Members who have the expertise and knowledge in securities markets to help the Board in carrying out the Company's business. Although Observers will not have the right to vote on Company matters at Board meetings, they will be able to attend, review Board materials and participate in Board meetings, which may provide additional view points for relevant issues concerning the business of the Company that may impact other Exchange Members. Thus, the Company does not believe the creation of the Observer position to the Board will have any impact on the Company's ability to be organized as to have the capacity to carry out the purposes of the Act and to comply with the provisions of the Act, the rules and regulations thereunder, and the rules of the Company, which promotes just and equitable principles of trade and continues to protect investors and the public interest. Further, the Company believes the proposed changes to the By-Laws are consistent with, and will not interfere with, the self-regulatory obligations of the Company.

The Company believes the proposed Observer provisions in the amended By-Laws are consistent with the Act because the Observer position will provide a means for individuals who are employed by, or otherwise affiliated with, an Exchange Member but may not be able, or willing, to serve as a Board member for one reason or another, to now be able to serve the Company in an advisory role and provide such valuable expertise and knowledge to help the Company carry out its business.

The Company believes the proposed changes to the By-Laws pertaining to Observers enables the Company to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act because all of the changes are based on similar provisions already in place at the Company for its Directors (or committee members) or are substantively similar to provisions in place at a competing exchange that provides for board observers. The addition of

the proposed defined terms for “Observer” and “Observer Threshold” will provide clarity to Exchange Members regarding the Observer position and are substantively similar to the corresponding terms in the MEMX LLC Agreement and MEMX Holdco LLC Agreement.³⁹ As noted above, the Company believes the slight difference between its proposal and MEMX’s corporate documents, which automatically grant the right to its exchange members to appoint an observer (assuming the threshold and other requirements are met), is reasonable due to the difference in ownership structures. The Company’s proposal provides that Exchange Members that meet the Observer Threshold and requirements of proposed Section 2.21, may nominate a candidate to the Member Nominating Committee for consideration as an Observer. The Company believes that this nomination structure enables the Company to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act by not granting Exchange Members the automatic right to appoint Observers; rather, those candidates must go through a standard nomination and election process with the Member Nominating Committee consulting with the Nominating Committee and the Chairman and Chief Executive Officer.

The following proposed Observer provisions are all substantively similar to provisions already in the By-Laws for Directors (or committee members) or in place at MEMX and, therefore, will enable the Company to continue to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act: removal and resignation of Observers⁴⁰; participation by Observers at Board meetings⁴¹; the ability of the Board to provide for reasonable compensation and reimbursement of expenses for Observers⁴²; conflicts of interest related to Observers; contracts and transactions with the Company that may involve Observers⁴³; the

requirement that Observers not be affiliated with any other Director or Observer⁴⁴; term length and staggered classes for Observers⁴⁵; the nomination and election process for Observers⁴⁶; and certain rights and obligations of Observers.⁴⁷

Proposal to Remove References to Interim Directors and Initial Committees

The Company believes its proposal to amend various subparagraphs and sections of the By-Laws to delete outdated references to Interim Directors and initial committees enables the Company to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act because it will remove outdated text. Pursuant to the By-Laws and prior to commencing operations, the LLC Member appointed an Interim Exchange Board and appointed the initial Nominating Committee and Member Nominating Committee. The Interim Exchange Board served until the first annual meeting of the LLC Member pursuant to Section 2.5(a) of the By-Laws and the initial Nominating Committee and Member Nominating Committee served until the second annual meeting of the LLC Member. Accordingly, the Interim Exchange Board and initial Nominating Committee and Member Nominating Committee served until their specified time expired. The Company further believes this proposed change removes impediments to and perfects the mechanism of a free and open market by providing greater transparency and clarity in the Company's governing documents. It is in the public interest for the Company's By-Laws to be up-to-date and accurate, which protects investors by providing transparency and clarity, thereby reducing potential confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Company does not believe that the proposed By-Law Amendments will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed By-Law Amendments relate to the corporate governance of the Company

⁴⁵ See supra note 25.

⁴⁷ See supra note 30.

and not to the Company's operations. As such, the proposed By-Law Amendments do not impact competition among the various market participants of the Company or among competing exchanges. This is not intended to address competitive issues and, therefore, imposes no burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A)⁴⁸ of the Act and Rule 19b-4(f)(6)⁴⁹ thereunder. Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁵⁰ and Rule 19b-4(f)(6) thereunder.⁵¹

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act⁵² normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)⁵³ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange states that the proposed changes related to establishing the Board Observer

⁵¹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

position are similar to provisions already in place at MEMX for its board observers and the proposed changes do not impact the ownership of the Company, voting rights, or restrictions of Directors. The Exchange also states that the proposed changes to remove text regarding the Interim Exchange Board and initial committee are non-substantive, clarifying edits. For these reasons, and because the proposed rule change raises no new or novel legal or regulatory issues, the Commission finds that waiver of the operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the operative delay and designates the proposal operative upon filing.⁵⁴

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)⁵⁵ of the Act to determine whether the proposed rule change should be approved or disapproved.
