*Abstract:* Information collected by the Service (in support of the land acquisition program) is required under applicable statutes, Department of Justice regulations, Department of the Interior and Service policies, and best business practices. In addition, the land acquisition program facilitates Secretarial Orders 3356 and 3366 by tracking land acquisitions that have potential to support public hunting, fishing, and other forms of outdoor recreation, and access related thereto. Authorities for the collection of realty-related information include:

- U.S. Department of Justice; Regulations of the Attorney General Governing the Review and Approval of Title for Federal Land Acquisitions (2016);
- Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601 et seq.);
- National Wildlife Refuge Administration Act of 1966 (16 U.S.C. 668dd et seq.);
- Migratory Bird Hunting and Conservation Stamp Act (16 U.S.C. 718a et seq.);
- Migratory Bird Conservation Act, as amended (16 U.S.C. 715-715r);

- Land and Water Conservation Fund Act of 1965 (54 U.S.C. 200301 et seq.);
- Endangered Species Act of 1973, as amended (16 U.S.C. 1531 et seq.);
- Emergency Wetlands Resources Act of 1986 (16 U.S.C. 3901); and
- Fish and Wildlife Act of 1956, as amended (16 U.S.C. 742a).

The Service tracks information collected from landowners as part of the preliminary land acquisition process. Information collected by the Service as part of the preliminary land acquisition process may include the following:

- **Initial Requests** - Initial request to consider property, to include such items as:
  - Identifying information for the legal property owner(s), such as:
    - Name of primary property owner, along with spouse and/or co-owner(s) whose names appear on the current deed to the property under review;
    - Marital status;
    - Other names used; and
    - Contact information, to include telephone numbers, personal email addresses, and mailing/home addresses.
  - Financial information, to include Social Security Numbers (necessary for final payment transaction).
  - Property description, to include such information as:
    - Property name,
    - Location,
    - Legal description, and
    - Introductory information.

- **Permission to Inspect and Appraise** (FWS Form 3-2471) - Collects information about the property owner and location, and grants permission to enter and inspect the property for real estate acquisition purposes. Inspection may include, but is not limited to:
  - Appraisal valuations;
  - Boundary survey;
  - Hazardous materials examination (contaminant survey); and
  - Physical examination of any structures on the property.

We do not use FWS Form 3-2471 in projects that are under Memoranda of Understanding (MOU), Memoranda of Agreement (MOA), Cooperative Agreements, certain donation partnerships, and other special cases.

- **Waiver of Appraisal Requirement** (FWS Form 3-2461) - Per 49 CFR 24.102(c)(2), a willing-seller landowner may release the Service from the obligation of obtaining an appraisal for (1) land donations and (2) certain land acquisitions where the anticipated value is low and the valuation problem is uncomplicated.

Unless delivered in person, both the Permission to Inspect and Appraise form (FWS Form 3-2471) and the Waiver of Appraisal Requirement form (FWS Form 3-2461) will contain a cover letter referred to as the access permission letter. The access permission letter does not request any information, but is used to explain the form or waiver process.

Information is collected and protected in accordance with the Privacy Act (5 U.S.C. 552a) and the Freedom of Information Act (5 U.S.C. 552). We will maintain the information in a secure system of records (Real Property Records, FWS-11; 71 FR 68635 (November 27, 2006); modification published 88 FR 16277 (March 16, 2023)). We gather Social Security numbers and banking information to assist with electronic

payments and preparation of the required Internal Revenue Service 1099 Forms.

The public may request a copy of any form contained in this collection by sending a request to the Service Information Collection Clearance Officer (see **ADDRESSES**, above).
