SUPPLEMENTARY INFORMATION:

Background

On June 30, 2025, Commerce published in the *Federal Register* a notice of opportunity to request an administrative review of the CVD order on freight rail couplers from China.¹

Commerce received a timely request for review of the CVD order from the Coalition of Freight Coupler Producers (the petitioner) for certain producers/exporters of subject merchandise.²

¹ See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review and Join Annual Inquiry Service List*, 90 FR 27841 (June 30, 2025).

² See Petitioner’s Letter, “Request for Administrative Review,” dated July 29, 2025; see also Petitioner’s Letter, “Clarification of Companies,” dated August 13, 2025.

On August 22, 2025, Commerce published the initiation notice in the *Federal Register* for thirteen companies, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).³ On September 12, 2025, we notified interested parties that information from U.S. Customs and Border Protection (CBP) indicated that there were no POR entries of the subject merchandise.⁴ On September 19, 2025, the petitioner submitted comments on the lack of entries in the CBP data, stating that there may be entries of subject merchandise that entered as a product other than an entry for consumption (such as entries of subject merchandise that entered mounted to railcars), or under harmonized tariff schedule subheadings listed in the scope of the CVD order.⁵ We did not receive any additional comments in this administrative review.

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁶ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁷ Accordingly, the deadline for the preliminary results of this review is now June 9, 2026.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of a CVD order where it concludes that there were there are no entries of subject merchandise during the POR for which liquidation is suspended.⁸ Normally, upon completion of

an administrative review, the suspended entries are liquidated at the CVD rates calculated for the review period.⁹ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated CVD rates for the review period.¹⁰ As noted above, there were no suspended entries of subject merchandise for any companies subject to this review during the POR.¹¹ Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR, we are hereby rescinding this administrative review in its entirety, in accordance with 19 CFR 351.213(d)(3).

Assessment

Commerce will instruct CBP to assess countervailing duties on all appropriate entries. Countervailing duties shall be assessed at rates equal to the cash deposit rate of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this rescission notice in the *Federal Register*.

Notification Regarding Administrative Protective Order (APO)

This notice serves as a final reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of the APO materials or conversion to judicial protective order is hereby requested. Failure to comply with regulations and terms of an APO is a violation, which is subject to sanction.

⁹ See 19 CFR 351.212(b)(2).

¹⁰ See 19 CFR 351.212(d)(3).

¹¹ While the petitioner argues that there may be misclassified entries that could be subject to this review, there are nonetheless no suspended entries in the CBP data covering the POR for the companies under review to be liquidated as a result of this review. See CBP Data Memorandum. CBP, not Commerce, has the ability to address the issues the petitioner raises.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: March 11, 2026.
