Abstract: The NPS is authorized by section 4 of the National Trails System Act (16 USC 1243) and Secretarial Order No. 3319 to administer the National Recreation Trail (NRT) program, which establishes National Water Trails (NWT) as a class of National Recreation Trails and directs that such trails collectively be considered in a National Water Trails System.

The NPS uses forms 10-1002: *Application for Designation as National Water Trail* and 10-1003: *Application for Designation as National Recreation Trail* to collect information NPS requires when submitting suitable trails or trail systems and water trails to the Secretary of the Interior for designation. The applications are evaluated for adherence to NRT requirements and criteria. NPS evaluation of an application is based on 1) the sufficiency of information provided on the application form and in supporting documentation, such as photographs, maps, and written landowner consents that accompany the form, and 2) successfully meeting the NRT requirements and criteria. Successful applications are forwarded to the Secretary of the Interior for approval.
