SUPPLEMENTARY INFORMATION: This proposed information collection was previously published in the **Federal Register** on January 12, 2026 (Vol. 91, No. 7 FR 1192) and allowed 60 days for public comment. No public comments were received. The purpose of this notice is to allow an additional 30 days for public comment. The National Cancer Institute (NCI), National Institutes of Health, may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

In compliance with Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Institutes of Health (NIH) has submitted to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below.

Proposed Collection Title: Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery (NCI), 0925-0642, Expiration Date 03/31/2026, EXTENSION, National Cancer Institute (NCI), National Institutes of Health (NIH).

Need and Use of Information Collection: This activity collects qualitative customer and stakeholder feedback efficiently and timely, per the Administration's commitment to improving service delivery. This generic provides information about the National Cancer Institute's customer or stakeholder perceptions, experiences, and expectations; provides an early warning of service issues; or focuses on areas where communication, training, or operations changes might improve product or service delivery. It also allows feedback to contribute directly to the improvement of program management. Feedback collected under this generic clearance provides valuable information but will not yield data that can be generalized to the overall population. OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total estimated annualized burden hours are 9,337 hours.
