Section 3506(c)(2)(A) of the PRA, 44 U.S.C. 3506(c)(2)(A), requires Federal agencies to provide a 60-day notice in the *Federal Register* concerning each proposed collection of information, including each proposed extension of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, the Commission is publishing notice of the proposed collection of information listed below. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Title: Registration under the Commodity Exchange Act (OMB Control No. 3038–0072). This is a request for an extension of a currently approved information collection.

Abstract: The information collected under OMB Control No. 3038–0072 is gathered through the use of forms for registration of swap dealers and major swap participants. Swap dealers and major swap participants are required by Section 4s(a) of the Commodity Exchange Act (“CEA”) (7 U.S.C. 6s(a)) to register with the Commission. The CFTC uses various forms for registration (and withdrawal therefrom) (the “Registration Forms”). OMB Control No. 3038-0072 applies to the Registration Forms for registration of swap dealers and major swap participants,¹ to the alternative method provided under Commission regulations to submission of a fingerprint card for foreign natural persons; and to the process for requesting cross-border comparability determinations for substituted compliance with requirements otherwise applicable to swap dealers and major swap participants.

With respect to the collection of information, the Commission invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;

¹ Forms for registration of futures commission merchants, commodity pool operators, commodity trading advisors, retail foreign exchange dealers, introducing brokers, associated persons, floor traders, and floor brokers are the subject of a separate information collection (OMB Control Number 3038–0023).

- The accuracy of the Commission’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate electronic, mechanical, or other technological collection techniques or other forms of information technology; e.g., permitting electronic submission of responses.

All comments must be submitted in English, or if not, accompanied by an English translation. Comments will be posted as received to <https://www.cftc.gov>. You should submit only information that you wish to make available publicly. If you wish the Commission to consider information that you believe is exempt from disclosure under the Freedom of Information Act, a petition for confidential treatment of the exempt information may be submitted according to the procedures established in § 145.9 of the Commission’s regulations.²

The Commission reserves the right, but shall have no obligation, to review, pre-screen, filter, redact, refuse or remove any or all of your submission from <https://www.cftc.gov> that it may deem to be inappropriate for publication, such as obscene language. All submissions that have been redacted or removed that contain comments on the merits of the information collection request will be retained in the public comment file and will be considered as required under the Administrative
