Agency Information Collection Activities; Submission for OMB Review; Comment

Request; Regional Economic Development Data Collection Instrument

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the Federal Register on January 23, 2026 during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: Economic Development Administration, Department of Commerce.

Title: Regional Economic Development Data Collection Instrument

OMB Control Number: 0610-0110

Form Number(s): None

Type of Request: Extension of a Currently Approved Collection

Number of Respondents: A total of 21 coalitions (with a designated lead) will respond.

Average Hours Per Response: 2.5 hours per respondent per quarter

Burden Hours: 210 hours

Needs and Uses: To effectively administer and monitor its economic development assistance programs, EDA collects certain information from applications for, and recipients of, EDA investment assistance. The purpose of this notice is to seek comments from the public and other Federal agencies on a request for recipients of awards under the EDA Build Back Better Regional Challenge.

The proposed information collection employs a mixed methods approach to gather traditional metrics in addition to qualitative data on all regions participating in the Build Back Better Regional Challenge program. Secondary data will be gathered and monitored for each of the regions/awardees. A quarterly questionnaire is sent to each of the BBBRC coalition leads which will gather the relevant data and stories for each of the 21 BBBRC coalitions, resulting in coalition regional impact evaluation, resources, and tools for regional economic development decision-makers.

The collection explores several thematic areas for the Build Back Better Regional Challenge, where each of the following areas are based on survey scope of work themes:

1. Accelerating innovation in emerging technologies to gain an understanding of the long-term impact of economic and social sectors.
2. Helping workers access information on new job opportunities, job placement, and job training and prepare for and be hired into jobs.
3. Increasing new business growth and entrepreneurial activities within industry sectors.
4. Building critical infrastructure such as roads, water and sewer miles, business and industries to allow for economic development and growth.
5. Helping businesses adopt new technologies so that they may enter new markets, increasing their economic capacity and overall sustainability.

Coalition leads will respond to the appropriate thematic area, answering questions related to the following process and progress:

- Reflections and updates on the coalition implementation process and progress
- The ability to secure additional non-federal investments
- Detailing the programs, training, and curricula developed/launched for job training/workforce development
- Job creation, wage growth, and existing employee growth and development.

Affected Public: Recipients of Build Back Better Regional Challenge awards, which may include a(n): district organization; Indian Tribe or a consortium of Indian Tribes; state, county, city, or other political subdivision of a State, including a special purpose unit of a state or local government engaged in economic or infrastructure development activities or a consortium of political subdivisions; institution of higher education or a consortium of institutions of higher education; or public or private non-profit organization or association, including labor unions, acting in cooperation with officials of a political subdivision of a state.

Frequency: Quarterly

Respondent's Obligation: Mandatory

Legal Authority: The Public Works and Economic Development Act of 1965 (42 U.S.C. § 3121 et seq).
