Algonquin Gas Transmission, LLC; Notice of Revised Schedule for Environmental Review of the Cape Cod Canal Pipeline Relocation Project

This notice identifies the Federal Energy Regulatory Commission staff's revised schedule for the completion of the environmental assessment (EA) for Algonquin Gas Transmission, LLC's (Algonquin) Cape Cod Canal Pipeline Relocation Project.¹ The first notice of schedule, issued on December 8, 2025, identified April 17, 2026, as the EA issuance date. However, Algonquin delayed its filing of the horizontal directional drill assessment report, information critical to a majority of the project, and additional project siting information, which, in turn, has delayed staff's submission of the EA to the cooperating agencies. As a result, staff has revised the schedule for issuance of the EA. The EA will be issued for a 30-day comment period.
