Abstract of information available

Human remains representing, at least, one individual have been identified from Woodbury County, Iowa (UBS 1991-84), the ancestral homelands of the Oceti Sakowin and the Omaha and Ponca Tribes. No associated funerary objects are present. Partial human remains were conveyed to KSHS by an individual from South Dakota in 1902. The catalog describes them as 'from a grave of a Sioux Indian 8 miles south of Sioux City.' White beads were found with the burial but were considered lost as of 1985. To our knowledge, no known hazardous substances

have been used to treat the human remains.

Cultural affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains described in this notice.

Determinations

The KSHS has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- There is a connection between the human remains described in this notice and the Flandreau Santee Sioux Tribe of South Dakota and the Omaha Tribe of Nebraska.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the authorized representative identified in this notice under ADDRESSES. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains described in this notice to a requestor may occur on or after [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE **FEDERAL REGISTER**]. If competing requests for repatriation are received, the KSHS must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. The KSHS is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and any other consulting parties.
