SUPPLEMENTARY INFORMATION:

I. Abstract

The CHIPS Incentives Program is authorized by Title XCIX—Creating Helpful Incentives to Produce Semiconductors for America of the William M. (Mac) Thornberry National Defense Authorization Act for Fiscal Year 2021 (Pub. L. 116-283, referred to as the CHIPS Act or Act), as amended by the CHIPS Act of 2022 (Division A of Pub. L. 117-167). The CHIPS Incentives Program is administered by the CHIPS Program Office (CPO) within the National Institute of Standards and Technology (NIST) of the United States Department of Commerce (Department). The Ask CHIPS web form will be available as a streamlined method for customers to submit requests to meet with the CHIPS team or request a speaker engagement. The information will be used by the CHIPS Program Office to schedule and coordinate engagements with CHIPS stakeholders.

Information to be collected includes:

Basic customer contact information, details on who they would like to meet with and when/where, as well as CHIPS-related topics they would like to discuss. The data requested is limited to the information necessary to efficiently schedule these engagements and provide the customer with the desired information during these engagements.

II. Method of Collection

CHIPS engagement meeting requests may be submitted via the web portal at <https://askchips.chips.gov/> or submitted via email. The web form submission is the preferred method which the CHIPS program is adopting in order to provide the customer with a simple method to provide all information associated with an engagement request in one go (as opposed to time-consuming back-and-forth email correspondence).
