Abstract: The U.S. Department of Education (ED) is requesting a three-year extension of the Annual Report of Children in Institutions for Neglected or Delinquent Children, Adult Correctional Institutions, and Community Day Programs for Neglected and Delinquent Children. Approval of this form is needed in order to continue the on-going collection of data used to allocate funds authorized under Title I, Part A and Title I, Part D, Subparts 1 and 2 of the Elementary and Secondary Education Act of 1965 (ESEA). Title I, Part A provides formula grants to local educational agencies (LEAs), through State educational agencies (SEAs), to improve the teaching and learning of at-risk students in high-poverty schools. In order to calculate Title I, Part A allocations, ED must annually collect data on the number of children living in locally operated institutions for neglected or delinquent (N or D) children.
