Comments regarding these information collections are best assured of having their full effect if received by **[INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

National Agricultural Statistics Service

Title: Current Agricultural Industrial Reports (CAIR)

OMB Control Number: 0535-0254

Summary of Collection: The Current Agricultural Industrial Reports (CAIR) surveys have become an integral part of the Census of Agriculture and numerous other surveys conducted by NASS. Under the authority of the Census of Agriculture Act of 1997 (P.L. 105-113) and defined under Title 7, Sec. 2204(g), these surveys will be mandatory. The data from the CAIR surveys will supply data users with important information on the utilization of many of the crops, livestock, and poultry produced in the U.S.

Need and Use of the Information: Data from these surveys is essential to measuring the consumption of agricultural products in the production of numerous consumer goods. Agricultural products such as grain, oilseeds, fibers, and animal co-products is used in the creation of cooking oils, flour, lubricants, fuel, fabrics, soap, paint, methyl esters, resins, and numerous other products. The data are needed to provide a more complete picture of the importance of agriculture to the American population. Data from these instruments is published and publications are available to everyone at the same time on the NASS website.
