SUPPLEMENTARY INFORMATION:

Proposal to renew the following currently approved collection of information:

1. Title: Notification of Performance of Bank Services.

OMB Number: 3064-0029.

Form Number: 6120/06

Affected Public: Insured state nonmember banks and state savings associations.

Burden Estimate:

Summary of Estimated Annual Burden (OMB No. 3064-0029)					
Information Collection (IC) (Obligation to Respond)	Type of Burden (Frequency of Response)	Number of Respondents	Number of Responses per Respondent	Average Time per Response (HH:MM)	Annual Burden (Hours)
1. Notification of Performance of Bank Services, 12 CFR 304.3 (Mandatory)	Reporting (On Occasion)	308	2.03	00:30	313
Total Annual Burden (Hours):					313
Source: FDIC.					
Note: The estimated annual IC time burden is the product, rounded to the nearest hour, of the estimated annual number of responses and the estimated time per response for a given IC. The estimated annual number of responses is the product, rounded to the nearest whole number, of the estimated annual number of respondents and the estimated annual number of responses per respondent. This methodology ensures the estimated annual burdens in the table are consistent with the values recorded in OMB's consolidated information system.					

General Description of Collection: Insured state nonmember banks are required to notify the FDIC, under section 7 of the Bank Service Company Act (12 U.S.C. 1867), of the relationship with a bank service company. The Form FDIC 6120/06, Notification of Performance of Bank Services, may be used by banks to satisfy the notification

requirement. There is no change in the method or substance of the collection. The estimated annual burden has decreased by 12 hours, from 325 hours in 2023 to 313 hours in this ICR. This decrease is attributable to a reduction in the estimated number of responses. The time and frequency of responses remain unchanged.

2. Title: Treatment by the FDIC as Conservator or Receiver of Financial Assets Transferred by an Insured Depository Institution in Connection With a Securitization or Participation After September 30, 2010.

OMB Number: 3064-0177.

Affected Public: Insured Depository Institutions.

Note: The estimated annual IC time burden is the product, rounded to the nearest hour, of the estimated annual number of responses and the estimated time per response for a given IC. The estimated annual number of responses is the product, rounded to the nearest whole number, of the estimated annual number of respondents and the estimated annual number of responses per respondent. This methodology ensures the estimated annual burdens in the table are consistent with the values recorded in OMB's consolidated information system.

General Description of Collection: Part 360.6 of the FDIC's regulations sets forth certain conditions that must be satisfied for a securitization transaction sponsored by an insured depository institution to be eligible for special treatment in the event that the FDIC is appointed receiver or conservator. As part of these conditions, securitization documents must include certain disclosure and recordkeeping requirements. There is no change in the method or substance of the collection. The estimated annual burden remains unchanged from the 2023 estimate.

Request for Comment

Comments are invited on: (a) whether the collections of information are necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collections, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collections of information on respondents, including through the use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.
