### SUPPLEMENTARY INFORMATION:

#### I. Abstract

This site contains a questionnaire to become a crew/experiment subject for Flight Analog Project (FAP) missions such as Pressure Chamber Analog, Mars Exploration Analog and other analog

studies. The questionnaire is used to screen potential applicants for initial qualifications. In addition, the Website where the questionnaire exists describes the FAP facilities and experiments conducted to inform and promote interest in public participating in different FAP missions. NASA is committed to effectively performing the Agency's communication function in accordance with the Space Act Section 203 (a)(3) to "provide for the widest practicable and appropriate dissemination of information concerning its activities and the results thereof," and to enhance public understanding of, and participation in, the nation's aeronautical and space program.
