**SUPPLEMENTARY INFORMATION:** Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term “collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the *Federal Register* concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment.

#### *Information Collection*

1. *Type of Information Collection Request:* Revision of a currently approved collection; *Title of Information Collection:* External Quality Review (EQR) of Medicaid and Children’s Health Insurance Program (CHIP) Managed Care, EQR Protocols, and Supporting Regulations; *Use:* Most contracts between a state Medicaid agency and their managed care plan must provide for an annual External Quality Review (EQR). The annual EQR is conducted by an independent external quality review organization (EQRO). States must provide the EQRO with information obtained through methods consistent with the protocols specified by CMS. The information is used by the EQRO to determine the quality of care furnished by the managed care plans in the state. The publicly posted EQR results allows Medicaid/CHIP enrollees and potential

enrollees to make informed choices regarding the selection of their providers. It also provides advocacy organizations, researchers, and other interested parties access to information on the quality of care provided to Medicaid beneficiaries enrolled in Medicaid/CHIP managed care. States use the information during their oversight of these organizations. *Form Number:* CMS-R-305 (OMB control number: 0938-0786); *Frequency:* Annually and one-time; *Affected Public:* Private sector and State, Local or Tribal Governments; *Number of Respondents:* 681; *Number of Responses:* 7,236; *Total Annual Hours:* 887,086. (For policy questions regarding this collection contact Carrie Hanlon at 410-786-1660.)
