II. Background

To help us carry out our conservation responsibilities for affected species, and in consideration of section 10(c) of the ESA of 1973, as amended (16 U.S.C. 1531 et seq.),

we invite public comments on permit applications before final action is taken. With some exceptions, the ESA prohibits certain activities with listed species unless Federal authorization is issued that allows such activities. Permits issued under section 10(a)(1)(A) of the ESA allow otherwise prohibited activities for scientific purposes or to enhance the propagation or survival of the affected species. Service regulations regarding prohibited activities with endangered species, captive-bred wildlife registrations, and permits for any activity otherwise prohibited by the ESA with respect to any endangered species are available in title 50 of the Code of Federal Regulations in part 17.

III. Permit Application

We invite comments on the following application.

Applicant: Atlanta-Fulton County Zoo dba Zoo Atlanta, Atlanta, GA; Permit No. PER22760642

The applicant requests a permit to import one male and one female captive-bred giant panda (*Ailuropoda melanoleuca*) from the Chengdu Research Base of Giant Panda Breeding, Sichuan, the People's Republic of China, for the purpose of enhancing the propagation or survival of the species. This notification is for a single import.

IV. Next Steps

After the comment period closes, we will make decisions regarding permit issuance. If we issue permits to the applicant listed in this notice, we will publish a notice in the Federal Register. You may locate the notice announcing the permit issuance by searching <https://www.regulations.gov> for the permit number listed above in this document.
