Abstract of information available

A total of one cultural item has been requested for repatriation in this notice. The one sacred object is *Kapa (Tapa)*. It is recorded as probably of Pacific Island origin which came to the Thornton W. Burgess Society in 1983. The item was part of a donation from the collections of Alfred E. Hoxie of East Sandwich and were donated to the Society by his daughter.

Determinations

The Thornton W. Burgess Society has determined that:

- The one sacred object described in this notice is a specific ceremonial object needed by a traditional Native American religious leader for present-day adherents to practice traditional Native American religion, according to the Native American traditional knowledge of a lineal descendant, Indian Tribe, or Native Hawaiian organization.
- There is a connection between the cultural item described in this notice and the Hui Iwi Kuamo‘o.

Requests for Repatriation

Additional, written requests for repatriation of the cultural item in this notice must be sent to the authorized representative identified in this notice under ADDRESSES. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural item in this notice to a requestor may occur on or after [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE **FEDERAL REGISTER**]. If competing requests for repatriation are received, the Thornton W. Burgess Society must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural item are considered a single request and not competing requests. The Thornton W. Burgess Society is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.
