Title: Reimbursement of Qualifying Adoption Expenses for Certain Veterans (VA Form 10-10152).

Abstract: VA's authority to provide reimbursement of qualifying adoption expenses for certain covered Veterans is found in Section 236 of the Military Construction, Veterans Affairs, and Related Agencies Appropriations Act, 2018, Public Law 115-141 (March 23, 2018) (the "2018 Act") and Section 235 of the Military Construction, Veterans Affairs, and Related Agencies Appropriations Act, 2019, Public Law 115-244 (September 21, 2018) (the "2019 Act"), which renewed and extended in nearly identical form Section 260 of the prior authorizing "2017 Act," Public Law 114-223. VA has eliminated the section in the regulations that specifies an expiration date in order to accommodate Congressional renewal and extension of this authority under subsequent appropriations law.

Veterans with a service-connected disability that results in their inability to procreate without the use of fertility treatments are authorized to receive reimbursement for certain adoption-related expenses for an adoption that is finalized after September 29, 2016 (the date the 2017 Act was enacted). To implement this benefit, VA uses VA Form 10-10152, which requires any Veteran requesting reimbursement of qualifying adoption expenses to submit required documentation and evidence to support eligibility.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.
