This notice sets out a summary of the use and burden associated with the following information collections. More detailed information can be found in each collection's supporting statement and associated materials (see **ADDRESSES**).

Under the PRA (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the **Federal Register** concerning each

proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

Information Collection

1. *Type of Information Collection Request:* Extension of a currently approved collection; *Title of Information Collection:* Health Reimbursement Arrangements and Other Account-Based Group Health Plans; *Use:* On June 20, 2019, the Department of the Treasury, the Department of Labor, and the Department of Health and Human Services (HHS) (collectively, the Departments) issued final regulations, titled “Health Reimbursement Arrangements and Other Account-Based Group Health Plans” (84 FR 28888) (2019 final regulations) under section 2711 of the PHS Act and the health nondiscrimination provisions of HIPAA, Public Law 104-191 (HIPAA nondiscrimination provisions). The 2019 final regulations expanded the use of health reimbursement arrangements and other account-based group health plans (collectively referred to as HRAs) and recognized certain HRAs as limited excepted benefits (the excepted benefit HRA), for plan years beginning on or after January 1, 2020. In general, the 2019 final regulations expanded the use of HRAs by eliminating the prohibition on integrating HRAs with individual health insurance coverage, thereby permitting employers to offer individual coverage HRAs to employees that can be integrated with individual health insurance coverage or Medicare Parts A and B, or Part C. Under the 2019 final regulations, employees are permitted to use amounts in an individual coverage HRA to pay expenses for medical care (including premiums for individual health insurance coverage and Medicare), subject to certain requirements.

The information collections associated with the 2019 final regulations are related to the substantiation requirements for individual coverage HRAs (45 CFR 146.123(c)(5)), the notice requirement for individual coverage HRAs (45 CFR 146.123(c)(6)), and notification of termination of coverage (45 CFR 146.123(c)(1)(iii)). Under final regulations issued by HHS on May 14, 2020, titled “Patient Protection and Affordable Care Act; HHS Notice of Benefit and

Payment Parameters for 2021; Notice Requirement for Non-federal Governmental Plans” (85 FR 29164), under 45 CFR 146.145(b)(3)(viii)(E), excepted benefit HRAs offered by non-Federal governmental plan sponsors are required to provide a notice that describes conditions pertaining to eligibility to receive benefits, annual or lifetime caps or other limits on benefits under the excepted benefit HRA, and a description or summary of the benefits. This notice must be provided no later than 90 days after the employee becomes a participant in the excepted benefit HRA and annually thereafter. *Form Number:* CMS-10704 (OMB Control Number 0938-1361); *Frequency:* Annually; *Affected Public:* State, Local or Tribal governments; *Number of Respondents:* 6,354; *Total Annual Responses:* 1,347,048; *Total Annual Hours:* 3,136.
