Public Comments: The ACPRCS welcomes written and oral/virtual public comments and asks the public to review and adhere to its Public Comment Guidelines provided at <https://www.ninds.nih.gov/current-research/trans-agency-activities/national-plan-end-parkinsons>.

Submissions are accepted in writing via e-mail addressed to NationalPDplan@nih.gov. Please include the phrase “public comment” in the subject line as well as the body of the message. A limited number of slots are available for individuals to provide a ~3-minute oral summary or excerpt of their written comment to the Council during the meeting via videoconference. For those interested in that opportunity, please indicate “Interested in providing oral/virtual comment” in your written submission, along with your name, address, email, phone number, and professional/organizational affiliation so that Council support staff can contact you if a slot is available.

For any given meeting, priority for comment slots will be assigned to individuals and organizations that have not previously provided comments in the current calendar year.
