We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the Federal Register on February 10, 2026 during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: Economic Development Administration (EDA), Commerce.

Title: Requirements for Approved Construction and Non-Construction

Investments

OMB Control Number: 0610-0096

Form Number(s): None

Type of Request: Reinstatement of a previously approved information collection with change.

Number of Respondents: 3,500

Average Hours Per Response: 2 hours

Burden Hours: 7,000 hours

Needs and Uses: EDA may award assistance for construction and non-construction projects through its Public Works and Economic Adjustment Assistance (EAA) Programs. Public Works Program investments help support the construction or rehabilitation of essential public infrastructure and facilities necessary to generate or retain private sector jobs and investments, attract private sector capital, and promote vibrant economic ecosystems, regional competitiveness and innovation. The EAA Program provides a wide range of technical, planning and infrastructure assistance in regions experiencing adverse economic changes that may occur suddenly or over time.

EDA is seeking a reinstatement of the series of checklists and templates that constitute EDA's post-approval construction and non-construction tools. These checklists and templates, as well as any special conditions incorporated into the terms and conditions at the time of award, supplement the requirements that apply to EDA-funded projects.

EDA is also changing the name of the collection to reflect that it covers non-construction post award matters as well as construction post award matters.

Affected Public: Current recipients of EDA construction (Public Works or Economic Assistance Adjustment) awards, to include (1) cities or other political subdivisions of a state, including a special purpose unit of state or local government engaged in economic or infrastructure development activities, or a consortium of political subdivisions; (2) states; (3) institutions of higher education or a consortium of institutions of higher education; (4) public or private non-profit organizations or associations; (5) District Organizations; (6) Indian Tribes or a

consortia of Indian Tribes; (7) economic development organizations; and (8) public-private partnerships for public infrastructure.

Frequency: One time, although some are periodic.

Respondent's Obligation: Mandatory.

Legal Authority: The Public Works and Economic Development Act of 1965 (42 U.S.C. 3121 et seq.).

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.
