Abstract: The Annual Protection and Advocacy of Individual Rights (PAIR) Program Performance Report (Form RSA-509) will be used to analyze and evaluate the PAIR Program administered by eligible systems in states. These systems provide services to eligible individuals with disabilities to protect their legal and human rights. RSA uses the form to meet specific data collection requirements of Section 509 of the Rehabilitation Act of 1973, as amended (the Act), and its implementing federal regulations at 34 CFR Part 381. PAIR programs must report annually using the RSA-509, which is due no later than 120 days after the end of each fiscal year.

The collection of information through Form RSA-509 has enabled RSA to furnish the President and Congress with data on the provision of protection and advocacy services and has helped to establish a sound basis for future funding requests. Data from the form have been used to evaluate the effectiveness of eligible systems within individual states in meeting annual priorities and objectives. These data also have been used to indicate trends in the provision of services from year-to-year.

Respondents are not-for-profit organizations.
